Declarant hereby declares that all of the Property shall be held, sold,

used and conveyed subject to the easements, restrictions, conditions and covenants set forth in this Declaration which are for the purpose of protecting the value and desirability of and which shall run with the Property. Declarant further declares that this Declaration shall be binding upon all Persons having any right, title or interest in the Property or any part thereof, and their successors, successors in title and assigns and shall inure to the benefit of each Owner thereof. By acceptance of a deed or by acquiring any interest in any of the property subject to this Declaration, each Person, for himself, herself or itself, and for his, her or its heirs, personal representatives, successors, transferees and assigns, binds himself, and his, her and its heirs, personal representatives, successors, transferees and assigns, to all of the provisions, restrictions, covenants, conditions, rules, and regulations now or hereafter imposed by this Declaration and any amendments thereof.

ARTICLE 3 **USE RESTRICTIONS**

3.1 Architectural Control.

3.1.1 No excavation or grading work shall be performed on any Lot without the prior written approval of the Architectural Committee.

3.1.2 No Improvement which would be Visible From Neighboring Property, shall be constructed, erected or installed on any Lot without the prior written approval of the Architectural Committee. Any Improvement not built into or attached to the Lot or any other object may be added without the prior approval of the Architectural Committee only upon the condition that the Owner remove such Improvement or other object promptly upon request by the Association if the Association, in its sole discretion, determined the same to be inappropriate.

No Work which in any way alters (a) the exterior appearance, including, but without limitation, the exterior color scheme, of any part of a Lot, or (b) any Improvement located on a Lot which in either case is Visible From Neighboring Property, shall be made or done without the prior written approval of the Architectural Committee. Any Owner desiring approval of the Architectural Committee for Work, which is or would be Visible from Neighboring Property, shall submit to the Architectural Committee a written request for approval specifying in detail the nature and extent of the Work, which the Owner desires to perform. Any Owner requesting the approval of the Architectural Committee shall also submit to the Architectural Committee any additional information, plans and specifications that the Architectural Committee may request. In the event that the Architectural Committee fails to approve or disapprove an application for approval within sixty (60) days after the application, together with any fee payable pursuant to Section 3.1.6 of this Declaration, and all supporting information, plans and specifications requested by the Architectural Committee, have been submitted to the Architectural Committee, approval will not be required and this Section will be deemed to have been complied with by the Owner who had requested approval of such plans. The approval by the Architectural Committee of any Work pursuant to this Section shall not be deemed a waiver of the Architectural Committee's right to withhold approval of any similar Work subsequently submitted for approval.

3.1.3 In reviewing plans and specifications for any Work which must be approved by the Architectural Committee, the Architectural Committee, among other things, may consider the quality of workmanship and design, harmony of external design with existing structures and location in relation to surrounding structures, topography and finish grade elevation. The Architectural Committee may disapprove plans and specifications for any Work which must be approved by the Architectural Committee pursuant to this Section 3.1 if the Architectural Committee determines, in its sole and absolute discretion, that: (a) the proposed Work would violate any provision of this Declaration; (b) the proposed Work does not comply with any Architectural Committee Rule; (c) the proposed Work is not in harmony with existing Improvements in the Project of with Improvements previously approved by the Architectural Committee but not yet constructed; (d) the proposed Work is not aesthetically acceptable; (e) the proposed Work would be detrimental to or adversely affect the appearance of the Project; or (f) the proposed Work is otherwise not in accord with the general plan of development for the Project.

3.1.4 Upon receipt of approval from the Architectural Committee for any Work, the Owner who had requested such approval shall proceed to perform, construct or do the Work approved by the Architectural Committee as soon as practicable and shall diligently pursue such Work so that it is completed as soon as reasonable practicable and within such time as may be prescribed by the Architectural Committee.

3.1.5 Any change, deletion or addition to the plans and specifications approved by the Architectural Committee must be approved in writing by the Architectural Committee.

3.1.6 The Architectural Committee shall have the right to charge a fee for reviewing requests for approval of any Work pursuant to this Section 3.1, which fee shall be payable at the time the application for approval is submitted to the Architectural Committee.

3.1.7 All Improvements constructed on Lots shall be of new construction, and no buildings or other structures shall be removed from other locations on to any Lot.

3.1.8 Notwithstanding anything to the contrary, the provisions of this Section 3.1 do not apply to, and approval of the Architectural Committee shall not be required for, any Work done by, or on behalf of, (a) the Designated Homebuilder or (b) Declarant, provided, however, any exemption granted by Declarant to any homebuilder may be qualified in any manner Declarant deems appropriate in its sole and absolute discretion.

3.1.9 The approval required of the Architectural Committee pursuant to this Section 3.1 shall be in addition to, and not in lieu of, any approvals or permits which may be required under any federal, state or local law, statute, ordinance, rule or regulation.

3.1.10 The approval by the Architectural Committee of any Work pursuant to this Section 3.1 shall not be deemed a warranty or representation by the Architectural Committee as to the quality of such Work or that such Work conforms to any applicable building codes or other federal, state or local law, statute, ordinance, rule or regulation.

3.1.11 The Architectural Committee may condition its approval of plans and specifications upon the agreement by the Owner submitting such plans and specifications to furnish to the Association a bond or other security acceptable to the Architectural Committee in an amount determined by the Architectural Committee to be reasonably sufficient to: (a) assure the completion of the proposed Improvements or the availability of funds adequate to remedy any nuisance or unsightly conditions occurring as a result of the partial completion of such Improvement, and (b) repair any damage which might be caused to any Area of Association Responsibility as a result of such Work. Any such bond shall be released or security shall be fully refundable to the Owner upon: (a) the completion of the Improvements in accordance with the plans and specifications approved by the Architectural Committee and the payment to the Association of all monies due the Association by the Owner; and (b) the Owner's written request to the Architectural Committee, provided that there is no damage caused to any Area of Association Responsibility by the Owner or its agents or contractors.

3.1.12 If the plans and specifications pertain to an Improvement which is within an Area of Association Responsibility so that the Association would be responsible for the maintenance, repair and replacement of such Improvement, the Architectural Committee may condition its approval of the plans and specifications for the proposed Work with respect to the Improvement on the agreement of the Owner to

reimburse the Association for the future cost of the maintenance, repair or replacement of such Improvement.

3.2 Temporary Occupancy and Temporary Buildings. No trailer, basement (if any) of any incomplete buildings, tent, shack, garage or barn, and no temporary buildings or structures (or buildings or structures under construction) of any kind, shall be used at any time for residence, either temporary or permanent. Temporary buildings, trailers or other structures used during the construction of Improvements approved by the Architectural Committee shall be removed immediately after the completion of construction, and in no event shall any such buildings, trailer or other structures be maintained or kept on any property for a period in excess of twelve (12) months without the prior written approval of the Architectural Committee.

3.3 Nuisances; Construction Activities. No rubbish or debris of any kind shall be placed or permitted to accumulate upon or adjacent to any Lot, and no odors or loud noises shall be permitted to arise or emit therefrom, so as to render any such property of any portion thereof, or activity thereon, unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to the occupants of such other property. No condition shall be permitted to exist or operate upon any Lot so as to be offensive or detrimental to any other property in the vicinity thereof or to its occupants. Normal construction activities and parking in connection with the building of Improvements on a Lot shall not be considered a nuisance or otherwise prohibited by this Declaration, but Lots shall be kept in a neat and tidy condition during construction periods, trash and debris shall not be permitted to accumulate, and supplies of brick, block, lumber and other building materials will be piled only in such areas as may be approved in writing by the Architectural Committee. In addition, any construction of equipment and building materials stored or kept on any Lot during the construction of Improvements may be kept only in areas approved in writing by the Architectural Committee, which may also require screening of the storage areas.

3.4 Antennas; Exterior Accessories. No antenna, satellite receiving station or other device for the transmission or reception of television or radio signals or any other form of electromagnetic radiation shall be erected, used or maintained outdoors on any area in the Project (whether attached to a building or structure or otherwise) so as to be Visible from Neighboring Property, unless approved by the Architectural Committee; provided, however, with respect to antennas and other devices for the reception of video programming signals covered by 47 CFR part 1, Subpart S, Section 1.4000 (or any successor provision promulgated under the Telecommunications Act of 1996, as amended from time to time) (collectively the "Permitted Antenna"), an Owner may install a Permitted Antenna on his Lot if written notice identifying the type of Permitted Antenna is given to the Architectural Committee, and, to the extent the following can be done without precluding the reception of an acceptable quality signal, the Permitted Antenna is installed so as to be inconspicuous from adjacent Lots and Common Area in a manner that is architecturally compatible with the overall theme of the Project. This provision shall be interpreted in a manner to be consistent with the Telecommunications Act of 1996, as amended from time to time, and the regulations promulgated thereunder.

The Architectural Committee may permit one or more aerial satellite dishes or satellite communication systems, and/or other apparatus and equipment for an antenna or cable system for the benefit of all or portions of the Project. No basketball backboards, flagpoles, light poles, swing sets or other play structures shall be installed so as to be Visible From Neighboring Property, unless approved by the Architectural Committee. Nothing in this Section will be deemed to prohibit the Declarant from installing and maintaining flagpoles on, at or adjacent to model homes within the Project.

3.5 Mineral Exploration. No lot shall be used in any manner to explore for or to remove any water, oil or other hydrocarbons, minerals of any kind, gravel earth or any earth substance of any kind.

3.6 Trash Containers and Collection. No garbage or trash shall be placed or kept on any Lot except in covered containers of a type, size and style, which are approved by the Architectural Committee or required by the Town of Gilbert. In no event shall such containers be maintained so as to be Visible From Neighboring Property except to make the same available for collection and then only for the shortest time reasonably necessary to effect such collection. All rubbish, trash, or garbage shall be removed from Lots and shall not be allowed to accumulate thereon. No outdoor incinerators shall be kept or maintained on any Lot.

3.7 Clothes Drying Facilities. No outside clotheslines or other outside facilities for drying or airing clothes shall be erected, placed or maintained on any Lot so as to be Visible From Neighboring Property.

3.8 Utility Service. Without the prior written approval of the Architectural Committee, no lines, wires, or other devices for the communication or transmission of electric current or power, including telephone, television, cable TV, and radio signals, shall be erected, placed or maintained anywhere in or upon any Lot unless the same shall be contained in conduits or cables installed and maintained underground or concealed in, under or on buildings or other structures. No provision of this Declaration shall be deemed to forbid the erection of temporary power or telephone structures incident to the construction of buildings or structures approved by the Architectural Committee.

3.9 Overhead Encroachments. No tree, shrub, or planting of any kind on any Lot shall be allowed to overhang or otherwise to encroach upon any sidewalk, street, pedestrian way or any Common Area from ground level to a height of eight (8) feet.

3.10 Residential Use. All Residential Units shall be used, improved and devoted exclusively to residential use. No trade or business may be conducted on any Lot or in or from any Residential Unit, except that an Owner or other Resident of a Residential Unit may conduct a business activity within a Residential Unit so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Residential Unit; (b) the business activity conforms to all applicable zoning ordinances or requirements for the Project; (c) the business activity does not involve persons coming on to the Lot other than on an infrequent basis nor does it involve the door-to-door solicitation of Owners or other Residents in the Project; and

(d) the business activity is consistent with the residential character of the Project and does not constitute a nuisance or a hazardous or offensive use or threaten the security or safety of other Residents in the Project, as may be determined from time to time in the sole discretion of the Board. The terms “business” and “trade” as used in this Section shall be construed to have ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider’s family and for which the provider receives a fee, compensation or other form of consideration, regardless of whether: (a) such activity is engaged in full or part time; (b) such activity is intended to or does generate a profit; or (c) a license is required for such activity. The leasing of a Residential Unit by the Owner thereof shall not be considered a trade or business within the meaning of this Section, provided, however, no lease shall be of less than an entire Lot and all Improvements thereon.

3.11 Signs. No signs whatsoever (including, but not limited to, commercial, political, “for sale”, “for rent” and similar signs) which are Visible From Neighboring Property shall be erected or maintained on any Lot except:

- (1) Signs required by legal proceedings.
- (2) Residence identification signs provided the size; color, design, content and location of such signs have been approved in writing by the Architectural Committee.
- (3) One (1) “For Sale” sign provided the size, color, design, content and location has been approved in writing by the Architectural Committee.

3.12 Restriction on Further Subdivision, Property Restrictions and Rezoning. No Lot shall be further subdivided or separated into smaller lots or parcels by any Owner other than Declarant, and no portion less than all of any such Lot shall be conveyed or transferred by any Owner other than Declarant, without the prior written approval of the Architectural Committee. No further covenants, conditions, restrictions or easements shall be recorded by any Owner, Lessee, or other Person other than Declarant against any Lot without the provisions thereof having been first approved in writing by the Architectural Committee. No application for rezoning, variances or use permits pertaining to any Lot shall be filed with any governmental authority by any Person other than Declarant unless the application has been approved by the Architectural Committee and the proposed use otherwise complies with this Declaration.

3.13 Vehicles and Parking.

As used in this Section, the term “Motor Vehicle” means, whether motorized or not, a car, van, truck, recreational vehicle, motor home, motorcycle, all terrain vehicle, utility vehicle, pickup truck, other motor vehicle, mobile home, travel trailer, tent trailer, trailer, camper shell, or boat trailer or other similar equipment.

Motor Vehicles owned or leased by an Owner, Lessee or other Resident of a Lot may be parked on a Lot as long as same are parked in the garage of the Residential Unit unless there is insufficient space within the garage for the parking of all such Motor Vehicles, in which case such Motor Vehicles, if but only if Operable, may be parked (as opposed to stored, as defined below) in the driveway situated on the Lot provided such Motor Vehicles do not exceed 7 feet in height and do not exceed 20 feet in length, are not used for commercial purposes and do not display any commercial name, phone number or message of any kind. No Motor Vehicle of any kind may be stored on a Lot except in a garage. No Motor Vehicle of any kind may be stored on the Common Area or any street within the Property. For purposes of this Subsection 3.15.3, a Motor Vehicle should be deemed stored if it is covered by a cover, tarp, or other material or parked within the Property for more than twenty-four (24) consecutive hours or for more than seventy-two (72) hours within any seven (7) day period.

The Board shall have the right and power to adopt rules and regulations governing the parking of Motor Vehicles on Lots and the Common Area and implementing the provisions of this Section 3.15. In the event of any conflict or inconsistency between the provisions of this Section 3.15 and the rules and regulations adopted by the Board, the provisions of this Section 3.15 shall control.

No Motor Vehicle shall be constructed, reconstructed or repaired on any Lot or Common Area or street within the Property in such a manner as to be Visible From Neighboring Property, and no inoperable vehicle may be stored or parked on any Lot or Common Area or street within the Property in such a manner as to be Visible From Neighboring Property.

The Board shall have the right to have any Motor Vehicle which is parked, kept, stored, maintained, constructed, reconstructed or repaired in violation of the Project Documents towed away at the sole cost and expense of the owner of the Motor Vehicle. The owner of the Motor Vehicle shall pay any expense incurred by the Association in connection with the towing of any Motor Vehicle to the Association upon demand. If the Motor Vehicle is owned by an Owner, an Assessment Lien shall secure any amounts payable to the Association, and the Association may enforce collection of such amounts in the same manner provided for in the Declaration for the collection of Assessments.

3.14 Variances. The Architectural Committee may, at its option and in extenuating circumstances, grant variances from the restrictions set forth in this Article 3 if the Architectural Committee determines in its discretion that (a) a restriction would create an unreasonable hardship or burden on an Owner, Lessee or Resident or a change of circumstances since the Recording of this Declaration has rendered such restriction obsolete, and (b) that the activity permitted under the variance will not have any substantial adverse affect on the Owners, Lessees and Residents of the Project and is consistent with the high quality of life intended for Residents of the Project.

3.15 Drainage. Without the approval of the Architectural Committee, no Residential Unit, structure, building, landscaping, fence, wall or other Improvement shall be constructed, installed, placed or maintained in any manner that would obstruct or interfere with the direction or flow of water for the Project, or any part thereof, or for any Lot as shown on the drainage plans on file with the county or municipality in which the Project is located (or change the direction of flow of water other than as shown on said drainage plans).

3.16 Garages and Driveways. The respective Owner shall maintain the interior of all garages situated on a Lot in a neat, clean and slightly condition. Garages shall be used only for storage and for the parking of Motor Vehicles and shall not be used or converted for living or recreational activities without the prior written approval of the Architectural Committee.

3.17 Rooftop Air Conditioners Prohibited. No air conditioning units or appurtenant equipment may be mounted, installed or maintained on the roof of any Residential Unit or other building so as to be Visible From Neighboring Property.

3.18 Diseases and Insects. No Person shall permit any thing or condition to exist upon any Lot, which shall induce, breed or harbor infectious plant diseases or noxious insects.

3.19 Height Limitations. The height of any Residential Unit shall be in conformance with the Town of Gilbert stipulations pertaining to the Property, as they may be amended from time to time.

3.20 Declarant Exemption. Notwithstanding anything to the contrary, the provisions of Sections 3.2 to 3.21 and 7.2 do not apply to (a) any Designated Homebuilder, or (b) Declarant, provided, however, any exemption granted by Declarant to any Designated Homebuilder may be qualified in any manner Declarant deems appropriate in its sole and absolute discretion.

3.21 Miscellaneous. The Architectural Committee, in its good faith discretion, is hereby authorized to grant such waivers of the restrictions contained in this Article 3 as it shall deem appropriate in the circumstances, so long as the use permitted by such waiver shall not result in an unsafe, unsanitary or aesthetically displeasing condition and shall not result, in the Architectural Committee's discretion, in a substantial departure from the common plan of development contemplated by this Declaration. In addition, all portions of the Property shall continue at all times to be subject to any and all applicable zoning laws and ordinances, provided, however, that where the provisions of this Declaration are more restrictive than such laws or ordinances, the provisions of this Declaration shall control.

**ARTICLE 4
EASEMENTS**

4.1 Owner's Easements of Enjoyment.

4.1.1 Subject to the rights and easements granted to Declarant in Sections 4.3 and 4.4 of this Declaration, every Member, and any person residing with such Member, shall have a right and easement of enjoyment in and to the Common Area which right shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

(a) The right of the Association to dedicate, convey, transfer or encumber the Common Area as provided in Section 5.11 of this Declaration.

(b) The right of the Association to regulate the use of the Common Area through the Association Rules and to prohibit access to such portions of the Common Area, such as landscaped areas, not intended for use by the Owners, Lessees or Residents.

(c) The right of the Association to suspend the right of an Owner and such Owner's family, tenants and guests to use the Common Area (other than the right of an Owner and such Owner's family, tenants and guests to use any streets which are part of the Common Area for ingress or egress to the Owner's Lot) if such Owner is more than fifteen (15) days after the Association notifies the Owner of the violation.

4.1.2 If a Lot is leased or rented by the Owner thereof, the Lessee and the members of the Lessee's family residing with such Lessee shall have the right to use the Common Area during the term of the lease.

4.2 Utility Easement. There is hereby created an easement upon, across, over and under the Common Area and the Lots for reasonable ingress, egress, installation, replacing, repairing or maintaining of all utilities, including, but not limited to, gas, water, sewer, telephone, cable television and electricity. By virtue of this easement, it shall be expressly permissible for the providing utility company to erect and maintain the necessary equipment on the Common Area or Lots, but no sewers, electrical lines, water lines, or other utility or service lines may be installed or located on the Common Area or Lots except as initially designed, approved and constructed by Declarant or as approved by the Board and in no event shall the easement herein granted encroach on any building within the Property.

4.3 Declarant's Use for Sales, Construction and Leasing Purposes. Declarant shall have the right and an easement to maintain sales or leasing offices, construction and management offices and models throughout the Project and to maintain one or more advertising, identification or directional signs on the Common Area or on the Lots owned or leased by Declarant while Declarant is selling Lots. Declarant reserves

the right to place models, management offices and sales and leasing offices on any Lots owned by Declarant and on any portion of the Common Area in such number, of such size and in such locations as Declarant deems appropriate. In the event of any conflict or inconsistency between this Section and any other provision of this Declaration, this Section shall control. Declarant's rights under this Section 4.3 or under Section 4.4 can be assigned on an exclusive or non-exclusive basis to any Designated Homebuilder; provided, however, any assignment may be qualified in any manner Declarant deems appropriate in its sole and absolute discretion.

4.4 Declarant's Easements. Declarant shall have the right and an easement on and over the Areas of Association Responsibility and the Common Areas to construct all Improvements Declarant may deem necessary and to use the Areas of Association Responsibility, the Common Areas and any Lots owned by Declarant for construction or renovation related purposes including the storage of tools, machinery, equipment, building materials, appliances, supplies and fixtures, and the performance of work respecting the Project. Declarant shall have the right and an easement upon, over, and through the Areas of Association Responsibility as may be reasonable necessary for the purpose of discharging its obligations or exercising the rights granted to or reserved by Declarant by this Declaration. In the event of any conflict or inconsistency between this Section and any other provision of this Declaration, this Section shall control.

4.5 Easement in Favor of Association. The Lots are hereby made subject to the following easements in favor of the Association and its directors, officers, agents, employees and independent contractors:

4.5.1 For inspection of the Lots in order to verify the performance by Owners of all items of maintenance and repair for which they are responsible;

4.5.2 For use, inspection, maintenance, repair and replacement of the Areas of Association Responsibility;

4.5.3 For correction of emergency conditions in one or more Lots;

4.5.4 For the purpose of enabling the Association, the Board, the Architectural Committee or any other committees appointed by the Board to exercise and discharge their respective rights, powers and duties under the Project Documents; and

4.5.5 For inspection of the Lots in order to verify that the Owners, their guests, tenants, invitees and the other occupants of the Lot are complying with the provisions of the Project Documents.

ARTICLE 5
THE ASSOCIATION;
ORGANIZATION; MEMBERSHIP AND VOTING RIGHTS

5.1 Formation of Association. The Association shall be a nonprofit Arizona corporation charged with the duties and invested with the powers prescribed by law and set forth in the Articles, Bylaws, and this Declaration.

5.2 Board of Directors and Officers. The Board and such officers shall conduct the affairs of the Association as the Board may elect or appoint in accordance with the Articles and the Bylaws. Unless the Project Documents specifically require the vote or written consent of the Members, approvals or actions to be given or taken by the Association shall be valid if given or taken by the Board. The Board shall have the power to levy reasonable fines against an Owner for a violation of the Project Documents by the Owner, a Lessee of the Owner or by any Resident of the Owner's Lot.

5.3 The Association Rules. The Board may, from time to time, and subject to the provisions of this Declaration, adopt, amend and repeal rules and regulations pertaining to: (a) the management, operation and use of the Areas of Association Responsibility including, but not limited to, any recreational facilities situated upon the Areas of Association Responsibility; (b) minimum standards for the maintenance and landscaping of Lots; or (c) restrictions on the use of Lots. The Association Rules shall be enforceable in the same manner and to the same extent as the covenants, conditions and restrictions set forth in this Declaration, subject to the provision on conflict set forth in Section 9.5.

5.4 Personal Liability. No member of the Board or of the Architectural Committee or any other committee of the Association, no officer of the Association, and no employee of the Association shall be personally liable to any Member, or to any other Person, including the Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error, or negligence of the member, officer or employee acting in such capacity; provided, however, the limitations set forth in this Section shall not apply to any person who has failed to act in good faith or has engaged in willful or intentional misconduct.

5.5 Implied Rights. The Association may exercise any right or privilege given to the Association expressly by the Project Documents and every other right or privilege reasonably to be implied from the existence of any right or privilege given to the Association by the Project Documents or reasonably necessary to effectuate any such right or privilege.

5.6 Identity of Members. Membership in the Association shall be limited to Owners of Lots. An Owner of a Lot shall automatically, upon becoming the Owner thereof, be a member of the Association and shall remain a member of the Association until such time as his, her or its ownership ceases for any reason, at which time his, her or its membership in the Association shall automatically cease.

5.7 Classes of Members and Voting Rights. The Association shall have the following two classes of voting membership:

(a) **Class A.** Class A Members are all Owners, with the exception of Declarant until the termination of the Class B membership. Each Class A member shall be entitled to one (1) vote for each Lot owned. Upon the termination of the Class B membership, Declarant shall be a Class A Member so long as Declarant owns any Lot.

(b) **Class B.** The Class B Member shall be Declarant. The Class B Member shall be entitled to ten (10) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the earlier of (i) the date on which the votes entitled to be cast by the Class A Members equals or exceeds the votes entitled to be cast by the Class B Member; (ii) the date which is seven (7) years after the recording of this Declaration; or (iii) when Declarant notifies the Association in writing that it relinquishes its Class B membership.

5.8 Voting Procedures. No change in the ownership of a Lot shall be effective for voting purposes unless and until the Board is given actual written notice of such change and is provided satisfactory proof thereof. The vote for each such Lot must be cast as a unit, and fractional votes shall not be allowed. In the event that more than one Person owns a Lot and such Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Member casts a vote representing a certain Lot, it will thereafter be conclusively presumed for all purposes that he, she or it was acting with the authority and consent of all other Owners of the same Lot unless objection thereto is made at the time the vote is cast. In the event more than one vote is cast by a Class A Member for a particular Lot, none of the votes shall be counted and all of the votes shall be deemed void.

5.9 Transfer of Membership. The rights and obligations of any Member other than Declarant shall not be assigned, transferred, pledged, conveyed or alienated in any way except upon transfer of ownership of an Owner's Lot, and then only to the transferee of ownership of the Lot. A transfer of ownership of a Lot may be effected by deed, intestate succession, testamentary disposition, foreclosure of a mortgage or deed of trust of record, or such other legal process as is now in effect or as may hereafter be established under or pursuant to the laws of the State of Arizona. Any attempt to make a prohibited transfer shall be void. Any transfer of ownership of a Lot shall operate to transfer the Membership appurtenant to said Lot to the new Owner thereof. Each Purchaser of a Lot shall notify the Association of the Purchaser's purchase within ten (10) days after the Purchaser becomes the Owner of a Lot.

5.10 Architectural Committee. The Association shall have an Architectural Committee to perform the functions of the Architectural Committee set forth in this Declaration. The Architectural Committee shall consist of such number of regular members and alternate members as may be provided for in the Bylaws. So long as

Declarant owns any Lot, Declarant shall have the sole right to appoint and remove the members of the Architectural Committee. At such time as Declarant no longer owns any Lot, the Board shall appoint the members of the Architectural Committee. Declarant may at any time voluntarily surrender its right to appoint and remove the members of the Architectural Committee, and in that event Declarant may require, for so long as Declarant owns any Lot, that specified actions of the Architectural Committee, as described in a recorded instrument executed by Declarant, be approved by Declarant before they become effective. The Architectural Committee may adopt, amend and repeal architectural guidelines, standards and procedures to be used in rendering its decisions. Such guidelines, standards and procedures may include, without limitation, provisions regarding: (a) the size of Residential Units; (b) architectural design, with particular regard to the harmony of the design with the surrounding structures and typography; (c) placement of Residential Units and other buildings; (d) landscaping design, content and conformance with character of the Property and permitted and prohibited plants; (e) requirements concerning exterior color schemes, exterior finishes and materials; (f) signage; and (g) perimeter and screen wall design and appearance. The decision of the Architectural Committee shall be final on all matters submitted to it pursuant to this Declaration.

5.11 Conveyance or Encumbrance of Common Area. The Common Area shall not be mortgaged, transferred, dedicated or encumbered without the prior written consent or affirmative vote of the Class B Member of the Association, if any, and the affirmative vote or written consent of the Owners representing at least two-thirds (2/3) of the votes entitled to be cast by Class A Members of the Association.

5.12 Suspension of Voting Rights. If any Owner fails to pay any Assessments or other amounts due to the Association under the Project Documents within fifteen (15) days after such payment is due or if any Owner violates any other provision of the Project Documents and such violation is not cured within fifteen (15) days after the Association notifies the Owner of the violation, the Board of Directors shall have the right to suspend such Owner's right to vote until such time as all payments, including interest and attorneys' fees, are brought current, and until any other infractions or violations of the Project Documents are corrected.

5.13 Legal Proceedings. Except for any legal proceedings initiated to (a) enforce any use restrictions, easement rights or no monetary obligations of Owners (other than Declarant or a Designated Homebuilder) expressly set out in this Declaration; (b) enforce any Association Rules; (c) enforce any Architectural Committee Rules; (d) collect any unpaid assessments levied pursuant to this Declaration; or (e) pursue or resolve any "small claims" (i.e., matters in which the amount in controversy could not reasonably be expected to exceed \$25,000.00), the Association (or Board of Directors) shall not initiate legal proceedings or join as a plaintiff in legal proceedings without the prior approval of Owners representing seventy-five percent (75%) or more of the votes in the Association. The costs of any legal proceedings initiated by the Association which are not included in the above exceptions shall be funded by the Association with monies that are specifically collected for that purpose and the Association shall not borrow

money, use reserve funds or use monies collected for other specific Association obligations for such purpose.

With respect to matters involving property or improvements to property, the Association (and the Board of Directors) additionally shall not initiate legal proceedings or join as a plaintiff in legal proceedings unless (1) such property or improvements is owned by the Association; (2) the Association has the maintenance responsibility for such property or improvements pursuant to this Declaration; or (3) the Owner who owns such property or improvements consents in writing to the Association initiating or joining such legal proceeding. Nothing in this section shall preclude the Board of Directors from incurring expenses for legal advice in complying with statutes or regulations related to the operation of the Association or otherwise in the normal course of operating the Association when legal proceedings are not involved. In any event, no action may be filed by any Owner to enforce the Project Documents and no action may be filed by the Association in any court against Declarant or any Designated Homebuilder, until the Association, following written notice of such meeting, meets as an Association, obtains the affirmative vote of Owners representing seventy-five percent (75%) or more of the votes in the Association to file such an action, and provides Declarant or any Designated Homebuilder written notice of such vote and at least 30 days following such written notice to cure any claimed failure, breach, or other default prior to the filing of any such action. Notwithstanding anything herein to the contrary, this section may not be modified or amended without the prior approval of Owners representing seventy-five percent (75%) or more of the votes in the Association.

ARTICLE 6

COVENANT FOR ASSESSMENTS AND CREATION OF LIEN

6.1 Creation of Lien and Personal Obligation of Assessments. Declarant, for each Lot owned by it, hereby covenants and agrees, and each Owner, other than Declarant, by becoming the Owner of a Lot, is deemed to covenant and agree to pay Assessments to the Association in accordance with this Declaration. All Assessments shall be established and collected as provided in this Declaration. The Assessments, together with interest, late charges and all costs, including but not limited to reasonable attorneys' fees incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such Assessment is made from the time same becomes due. Each Assessment, together with interest, late charges and all costs, including but not limited to reasonable attorneys' fees incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall also be the personal obligation of the person who was the Owner of the Lot at the time when the Assessment became due. The personal obligation for delinquent Assessments shall not pass to the successors in title of the Owner unless expressly assumed by them but, except as is otherwise explicitly set forth herein or required by applicable law, the charge and lien shall continue upon the Lot.

6.2 Annual Assessments.

6.2.1 In order to provide for the operation and management of the Association and to provide funds for the Association to pay all Common Expenses and expenses to perform the Association's duties and obligations under the Project Documents, including the establishment of replacement and maintenance reserves and a contingency fund, the Board, for each Assessment Period, shall assess against each Lot an Annual Assessment. The total amount to be assessed against the Lots as an Annual Assessment shall be the amount which is reasonable estimated by the Board to produce income to the Association equal to the total budgeted Common Expenses and all other expenses to perform the Association's duties and obligations under the Project Documents, including the establishment of replacement and maintenance reserves and a contingency fund, taking into account other sources of funds available to the Association.

6.2.2 The Board shall endeavor to give notice of the Annual Assessment to each Owner at least thirty (30) days prior to the beginning of each Assessment Period, but the failure to give such notice shall not affect the validity of the Annual Assessment established by the Board nor relieve any Owner from its obligation to pay the Annual Assessment. If the Board determines during any Assessment Period that the funds budgeted for that Assessment Period are, or will become, inadequate for any reason to meet all Common Expenses and expenses to perform the Association's duties and obligations under the Project Documents, including the establishment of replacement and maintenance reserves and a contingency fund, including, without limitation, due to nonpayment of Assessments by Members, it may increase the Annual Assessment for that Assessment Period and revised Annual Assessment shall commence on the date designated by the Board.

6.2.3 The maximum Annual Assessment for each fiscal year of the Association shall be as follows:

- (a) Until January 1 of the year immediately following the conveyance of the first Lot in a Phase (as defined below) improved with a residence to a Purchaser, the maximum Annual Assessment for each Lot in that Phase shall be \$600.00 (six hundred dollars). Said maximum Annual Assessment shall continue to increase as set forth in Section 6.2.3(b) of this Declaration, whether or not said maximum is actually assessed.
- (b) For the Assessment Period beginning January 1 of the year immediately following the conveyance of the first Lot in a Phase improved with a residence to a Purchaser, and for any subsequent Assessment Period, the Board may, without a vote of the Members, increase the Annual Assessment for each Lot in that Phase by the greater of (i) 10% of the maximum Annual Assessment for the immediately preceding Assessment Year, or (ii) an amount based upon the percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U) U.S. City Average (1982-84=100), issued by the United States Department of Labor, Bureau of Labor Statistics (the "Consumer Price Index"), which amount shall be computed in the last month of each

Assessment Period for the subsequent Assessment Period in accordance with the following formula:

X= Consumer Price Index for July of the calendar year immediately preceding the calendar year which immediately precedes the calendar year for which the maximum Annual Assessment is to be determined.

Y= Consumer Price Index for July of the calendar year immediately preceding the calendar year for which the maximum Annual assessment is to be determined.

$\frac{Y-X}{X}$ multiplied by the maximum Annual Assessment for the then current calendar year equals the amount by which the maximum Annual Assessment may be increased.

In the event the Consumer Price Index ceases to be published, then the index which shall be used for computing the increase in the maximum Annual Assessment permitted under this Section 6.2 shall be the substitute recommended by the United States government for the Consumer Price Index or, in the event no such successor index is recommended by the United States government, the index selected by the Board.

(c) For the Assessment Period beginning on January 1 of year immediately following the conveyance of the first Lot in a Phase improved with a residence to a Purchaser, and for any subsequent Assessment Period, the maximum Annual Assessment for each Lot in that Phase may be increased by an amount greater than the maximum increase allowed pursuant to (b) above, only by a vote of members entitled to cast a majority of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose.

6.3 Rate of Assessment. The amount of the Annual Assessment shall be the same for each Lot.

6.4 Transfer Fee. Each Person who purchases a Lot from a Person other than Declarant shall pay to the Association immediately upon becoming the Owner of the Lot a transfer fee in such amount as is established from time to time by the Board.

6.5 Special Assessments. The Association may levy against each Lot which is then subject to assessment, in any Assessment Period, a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of an Improvement upon the Common Area, including fixtures and personal property related thereto, provided that any Special Assessment shall have the assent of a majority of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose.

6.6 Commencement Date of Assessment Obligation. All Lots described on Exhibit A to this Declaration shall be subject to assessment upon the conveyance of the first Lot to a Purchaser.

6.7 Rules Regarding Billing and Collection Procedures. Annual Assessments shall be collected on an annual basis or such other basis as may be selected by the Board. Special Assessments shall be collected as specified by the Board. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making Assessments and for the billing and collection of the Assessments provided that the procedures are not inconsistent with the provisions of this Declaration. The failure of the Association to send a bill to a Member shall not relieve any Member of such Member's liability for any Assessment or charge under this Declaration.

6.7.1 The Assessment Lien shall have priority over all liens or claims except for: (a) tax liens for real property taxes; (b) assessments in favor of any municipal or other governmental body; (c) the lien of any First Mortgage; and (d) any lien entitled to priority under applicable law. Any First Mortgagee or any other Person acquiring title or coming into possession of a Lot through foreclosure of the First Mortgage, purchase at a foreclosure sale or trustee sale with respect to the First Mortgage, or through any equivalent proceedings, such as, but not limited to, the taking of a deed in lieu of foreclosure with respect to the First Mortgage, shall acquire title free and clear of any claims for unpaid assessments and charges against the Lot which became payable prior to the acquisition of such Lot by the First Mortgagee or other Person. Any Assessments and charges against the Lot, which accrue prior to such sale or transfer, shall remain the personal obligation of the defaulting Owner of the Lot.

6.7.2 The Association shall not be obligated to release the Assessment Lien until all delinquent Assessments, interest, lien fees, fines, reasonable attorneys' fees, court costs, collection costs and all other sums payable to the Association by the Owner of the Lot have been paid in full.

6.7.3 The Association shall have the right, at its option, to enforce collection of any delinquent Assessments together with interest, lien fees, reasonable attorneys' fees and any other sums due to the Association in any manner allowed by law including, but not limited to, (a) bringing an action at law against the Owner personally obligated to pay the delinquent Assessments and such action may be brought without waiving the Assessment Lien or b) bringing an action to foreclose the Assessment Lien against the Lot in the manner provided by law for the foreclosure of a realty mortgage. The Association shall have the power to bid at any foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any and all Lots purchased at such sale.

6.8 Evidence of Payment of Assessments. Upon receipt of a written request by a Member or any other Person, the Association, within a reasonable period of time thereafter (but no longer than any time period provided by applicable law), shall issue to such Member or other Person a written certificate stating that all Assessments, interest, and other fees and charges have been paid with respect to any specified Lot as of the date

of such certificate, or if all Assessments and other amounts have not been paid, the amount of such Assessments, interest, fees and charges due and payable as of such date. The Association may make a reasonable charge for the issuance of such certificates, which charge must be paid at the time the request for any such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matters therein stated as against the Association, the Board and each Owner.

6.9 Purposes for which Association's Funds May be Used. The Association shall use all funds and property collected and received by it (including the Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) solely for the purpose of (a) discharging and performing the Association's duties and obligations under the Project Documents; (b) exercising the rights and powers granted to the Association by the Project Documents; and (c) the common good and benefit of the Project and the Owners, Lessees and Residents by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever, of any and all land, properties, improvements, facilities, services, projects, programs, studies and systems, within or without the Project, which may be necessary, desirable or beneficial to the general common interests of the Project, the Owners, the Lessees and the Residents.

6.10 Surplus Funds. The Association shall not be obligated to spend in any year all the Assessments and other sums received by it in such year, and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Annual Assessment in the succeeding year if a surplus exists from a prior year, and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

ARTICLE 7 **MAINTENANCE**

7.1 Areas of Association Responsibility. The Association, or its duly delegated representative, shall manage, maintain, repair and replace the Areas of Association Responsibility, and all Improvements located thereon, except for any part of the Areas of Association Responsibility which any governmental entity is maintaining or is obligated to maintain. The Board shall be the sole judge as to the appropriate maintenance, repair and replacement of all Areas of Association Responsibility, but all Areas of Association Responsibility, and the Improvements located thereon, shall be maintained in good condition and repair at all times. No Owner, Resident or other Person shall construct or install any Improvements on the Areas of Association Responsibility or alter, modify or remove any Improvements situated on the Areas of Association Responsibility without the approval of the Board. No Owner, Resident or other Person shall obstruct or interfere with the Association in the performance of the Association's

maintenance, repair and replacement of the Areas of Association Responsibility, and the Improvements located thereon.

7.2 Lots. Each Owner of a Lot shall be responsible for maintaining, repairing or replacing the Owner's Lot, and all buildings, Residential Units, landscaping or other Improvements situated thereon, including, without limitation, any drainage, natural area open space, conservation area, sight distance, mail box and other easements situated on its Lot (to the extent maintenance is appropriate and allowed), except for any portion of the Lot which is an Area of Association Responsibility. Each Owner of a Lot shall also be responsible for maintaining and replacing (and, with the approval of the Architectural Committee, the initial installation of landscaping on) any portion of any Common Area which is between the boundary of the Owner's Lot and the back of the curb on any private street located within said Common Area and adjacent to the Owner's Lot. All buildings, Residential Units, landscaping and other Improvements shall at all times be kept in good condition and repair. Unless otherwise approved by the Architectural Committee, an Owner shall be required to complete landscaping of (i) the Owner's front yard and any unenclosed portion of any side or rear yards within sixty (60) days, and (ii) any enclosed portion of any side and rear yards within one hundred twenty (120) days, of the closing of a purchase by an Owner other than Declarant or a Designated Homebuilder of a Lot improved with a residence. All grass, hedges, shrubs, vines and plants of any type on a Lot shall be irrigated, mowed, trimmed and cut at regular intervals so as to be maintained in a neat and attractive manner. Trees, shrubs, vines, plants and grass which die shall be promptly removed and replaced with living foliage of like kind, unless different foliage is approved in writing by the Architectural Committee. No yard equipment, woodpiles or storage areas may be maintained so as to be Visible From Neighboring Property or from streets within the Project.

7.3 Assessment of Certain Costs of Maintenance and Repair. In the event that the need for maintenance or repair of an Area of Association Responsibility is caused through the willful or negligent act of any Owner or the Owner's family, tenants, guests or invitees, the cost of such maintenance or repairs shall be paid by such Owner to the Association upon demand and payment of such amounts shall be secured by the Assessment Lien.

7.4 Improper Maintenance and Use of Lots. In the event any portion of any Lot or any portion of any Common Area required to be maintained by an Owner is so maintained as to present a public or private nuisance, or as to substantially detract (other than during any period of construction by Declarant or a Designated Homebuilder) from the appearance or quality of the surrounding Lots or other areas of the Project, in the event any portion of a Lot is being used in a manner which violates this Declaration, or in the event the Owner of any Lot is failing to perform any of its obligations under the Project Documents, the Board may make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto give notice thereof to the offending Owner that unless corrective action is taken within fourteen (14) days, the Board may cause such action to be taken at said Owner's cost. If at the expiration of said fourteen (14) day period of time the requisite corrective action has not been taken, the

Board shall be authorized and empowered to cause such action to be taken and the cost thereof shall be paid by such Owner to the Association upon demand and payment of such amounts shall be secured by the Assessment Lien.

7.5 Boundary Walls.

7.5.1 Each wall or fence which is located between two Lots (other than a wall, which constitutes an Area of Association Responsibility) shall constitute a boundary wall and, to the extent not inconsistent with this Section 7.5, the general rules of law regarding boundary walls shall apply.

7.5.2 The Owners of contiguous Lots who have a boundary wall shall both equally have the right to use such wall provided that such use by one Owner does not interfere with the use and enjoyment of it by the other Owner;

7.5.3 In the event that any boundary wall is damaged or destroyed through the act of an Owner or the Owner's agents, tenants, licensees, guests or family, it shall be the obligation of such Owner to rebuild and repair the boundary wall without cost to the other Owner or Owners;

7.5.4 In the event any such boundary wall is damaged or destroyed by some cause other than the act of an Owner or the Owner's agents, tenants, licensees, guests or family (including ordinary wear and tear and deterioration from lapse of time), then, in such event, all adjoining Owners shall proceed forthwith to rebuild or repair the same to as good a condition as formerly at their joint and equal (based on lineal frontage of the wall expense;

7.5.5 Notwithstanding any other provision of this Section, an Owner who, by the Owner's negligent or willful act, causes any boundary wall to be damaged shall bear the whole cost of furnishing the necessary protection against such elements;

7.5.6 The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title;

7.5.7 In addition to meeting the other requirements of this Declaration and of any other building code or similar regulations or ordinances, any Owner proposing to modify, make additions to or rebuild a boundary wall shall first obtain the written consent of the adjoining Owners; and

7.5.8 In the event any boundary wall encroaches upon a Lot, a valid easement for such encroachment and for the maintenance of the boundary wall shall and does exist in favor of the Owners of the Lots which share such boundary wall.

7.5.9 Nothing in this Section 7.5 shall be construed to allow the construction of boundary walls unless approved by the Architectural Committee in accordance with the procedures set forth in Article 3 above.

7.6 Maintenance of Walls other than Boundary Walls. Walls located on a Lot which are not (a) boundary walls or (b) walls located within, or which constitute, an Area of Association Responsibility, shall be maintained, repaired and replaced by the Owner of the Lot.

ARTICLE 8 **INSURANCE**

8.1 Scope of Coverage. Commencing not later than the time of the first conveyance of a Lot to a Purchaser, the Association shall maintain, to the extent reasonably available, the following insurance coverage:

8.1.1 Comprehensive general liability insurance, including medical payments insurance, in an amount determined by the Board, but not less than \$1,000,000. Such insurance shall cover all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the use, ownership or maintenance of the Areas of Association Responsibility and all other portions of the Project which the Association is obligated to maintain under this Declaration, and shall also include hired automobile and non-owned automobile coverage's with cost liability endorsements to cover liabilities of the Owners as a group to an Owner;

8.1.2 Property insurance on all Areas of Association Responsibility insuring against all risk of direct physical loss, insured against in an amount equal to the maximum insurable replacement value of the Areas of Association Responsibility, as determined by the Board; provided, however, that the total amount of insurance after application of any deductibles shall not be less than one hundred percent (100%) of the current replacement cost of the insured property, exclusive of land, excavations, foundations and other items normally excluded from a property policy;

8.1.3 Workmen's compensation insurance to the extent necessary to meet the requirements of the laws of Arizona;

8.1.4 Such other insurance as the Association shall determine from time to time to be appropriate to protect the Association or the Owners; and

deed of trust; (d) a “severability of interest” endorsement which shall preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or other Owners; and (e) a statement of the name of the insured as the Association.

8.2 Certificates of Insurance. An insurer that has issued an insurance policy under this Article shall issue a certificate or a memorandum of insurance to the Association and, upon request, to any Owner, mortgagee or beneficiary under a deed of trust. Any insurance obtained pursuant to this Article may not be cancelled until thirty (30) days after notice of the proposed cancellation has been mailed to the Association, each Owner and each mortgagee or beneficiary under a deed of trust to whom certificates of insurance have been issued.

The Association shall pay the cost of repair or replacement in excess of insurance proceeds and reserves. If all of the Areas of Association Responsibility are not repaired or replaced, insurance proceeds attributable to the damaged Areas of Association Responsibility shall be used to restore the damaged area to a condition which is not in violation of any state or local health or safety statute or ordinance and the remainder of the proceeds shall either (a) be retained by the Association as an additional capital reserve, or (b) be used for payment of operating expenses of the Association if such action is approved by the affirmative vote or written consent, or any combination thereof, of Members representing more than fifty percent (50%) of the total authorized votes in the Association.

ARTICLE 9
GENERAL PROVISIONS

9.1 Enforcement. The Association or any Owner shall have the right to enforce the Project Documents in any manner provided for in the Project Documents or by law or in equity, including, but not limited to, an action to obtain an injunction to compel removal of any Improvements constructed in violation of this Declaration or to otherwise compel compliance with the Project Documents. The failure of the Association or an Owner to take enforcement action with respect to a violation of the Project Documents shall not constitute or be deemed a waiver of the right of the Association or any Owner to enforce the Project Documents in the future. If any lawsuit is filed by the Association or by any Owner to enforce the provisions of the Project Documents or in any other manner arising out of the Project Documents or the operations of the Association, the prevailing party in such action shall be entitled to recover from the other party all attorneys' fees incurred by the prevailing party in the action. In addition to any other rights or remedies available to the Association pursuant to the Project Documents or at law or in equity, the Board shall have the power to levy reasonable fines (not in excess of the maximum amount allowed by law) against an Owner for a violation of the Project Documents by the Owner, a Lessee of the Owner or a Resident of the Owner's Lot, provided the Owner is given notice and an opportunity to be heard.

9.2 Term; Method of Termination. 9.3.1 Except for amendments made pursuant to Subsection 9.3.2 or 9.3.4 of this Declaration, the Declaration may be amended at any time by but only by the written approval or the affirmative vote, or any combination thereof, of Owners of not less than seventy-five percent (75%) of the Lots and, to the extent required by Subsection 9.3.3, Declarant.

9.3.2 Declarant, so long as Declarant owns any Lot, and, thereafter, the Board may amend this Declaration or the Plat, without obtaining the approval or consent of any Owner or First Mortgagee, in order to conform this Declaration or the Plat to the

Declarant herein to the contrary, so long as Declarant owns any Lot, any amendment to this Declaration must approve 9.3.3 Notwithstanding anything in writing.

Any amendment made by Declarant pursuant to Subsection 9.3.2 or 9.3.4 of this Declaration shall be signed by Declarant and recorded with the County Recorder of Maricopa County, Arizona. (a) Seek to abandon, partition, subdivide, sell or transfer the Common Area owned, directly or indirectly, by the Association for the Benefit of the Lots. The granting of easements for public utilities or for other public purposes consistent with the intended use of such Common Area shall not be deemed a transfer within the meaning of this Subsection;

(b) Change the method of determining the obligations, assessments, dues or other charges, which may be levied against an Owner;

(e) Use hazard insurance proceeds for losses to any Area of Association Responsibility, other than the repair, replacement or reconstruction of such Area of Association Responsibility.

9.4.4 No provision of this Declaration gives or shall be construed as giving any Owner or other Person priority over any rights of a First Mortgagee of a Lot in the case of the distribution to such Owner of insurance proceeds or condemnation awards for losses to or taking of the Common Area.

9.4.5 Any First Mortgagee who receives a written request from the Board to respond to or consent to any action requiring the consent of the First Mortgagee shall be deemed to have approved such action if the Association has not received a negative response from such First Mortgagee within thirty (30) days of the date of the Association's request.

9.4.6 In the event of any conflict or inconsistency between the provisions of this Section and any other provision of the Project Documents, the provisions of this Section shall prevail; provided, however, that in the event of any conflict or inconsistency between the provisions of this Section and any other provisions of the Project Documents with respect to the number or percentage of Owners or First Mortgagees that must consent to (a) an amendment of the Declaration, Articles or Bylaws, (b) a termination of the Project, or (c) certain actions of the Association as specified in Subsection 9.4.3 of this Declaration, the provision requiring the consent of the greatest number or percentage of Owners or First Mortgagees shall prevail; provided, however, that Declarant, so long as Declarant owns any Lot, and thereafter, the Board, without the consent of any Owner or First Mortgagee being required, shall have the right to amend this Declaration, the Articles and the Bylaws in order to conform this Declaration, the Articles or the Bylaws to the requirements or guidelines of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the

Federal Housing Administration, the Veterans Administration or any federal, state or local governmental agency whose approval of the Project, the Plat or the Project Documents is required or requested by Declarant or the Board.

9.5 Interpretation. Except for judicial construction, the Board shall have the exclusive right to construe and interpret the provisions of this Declaration. In the absence of any adjudication to the contrary by a court of competent jurisdiction, the Board's construction or interpretation of the provisions hereof shall be final, conclusive and binding as to all Persons and property benefited or bound by this Declaration. 9.6 Severability. Any determination by any court of competent jurisdiction that any provision of this Declaration is invalid or unenforceable shall not affect the validity or enforceability of any of the other provisions hereof.

9.7 Rule Against Perpetuities. If any interest purported to be created by this Declaration is challenged under the rule against perpetuities or any related rule, the interest shall be construed as becoming void and of no effect as of the end of the applicable period of perpetuities computed from the date when the period of perpetuities starts to run on the challenged interest; the "lives in being" for computing the period of perpetuities shall be (a) those which would be used in determining the validity of the challenged interest, plus (b) those of the issue of the Board who are living at the time the period of perpetuities starts to run on the challenged interest.

9.8 Change of Circumstances. Except as otherwise expressly provided in this Declaration, no change of conditions or circumstances shall operate to extinguish, terminate or modify any of the provisions of this Declaration.

Recordation of a notice of violation shall serve as notice to the Owner, Lessee and Resident, and any subsequent purchaser of the Lot that there is such a violation. If, after the recordation of such notice, it is determined by the Association that the violation referred to in the notice does not exist or that the violation referred to in the notice has

been cured, the Association shall Record a notice of compliance which shall state the legal description of the Lot against which the notice of violation was Recorded, and the recording data of the notice of violation, and shall state that the violation referred to in the notice of violation has been cured or that the violation did not exist. Failure by the Association to Record a notice of violation shall not constitute a waiver of any such violation, constitute any evidence that no violation exists with respect to a particular Lot or constitute a waiver of any right of the Association to enforce the Project Documents.

9.10 Laws, Ordinances and Regulations.

9.10.1 The covenants, conditions and restrictions set forth in this Declaration and the provisions requiring Owners and other Persons to obtain the approval of the Board or the Architectural Committee with respect to certain actions are independent of the obligation of the Owners and other Persons to comply with all applicable laws, ordinances and regulations, and compliance with this Declaration shall not relieve an Owner or any other Person from the obligation to also comply with all applicable laws, ordinances and regulations.

9.10.2 Any violation of any state, municipal, or local law, ordinance or regulation pertaining to the ownership, occupation or use of any property within the Property is hereby declared to be a violation of this Declaration and subject to any or all of the enforcement procedures set forth herein.
