

# CALEDONIA ARTS & CRAFTS SHOW

Welcome to the Caledonia ARTS & CRAFT SHOW! We hope you will join us for this successful event. This is an excellent opportunity to display and market your handcrafted goods in a pleasant atmosphere and at a reasonable rate.

Due to the overwhelming number of vendors that wish to bring non-handmade items, handcrafted items will have first priority until 10/1/19. After that date, other vendors may be allowed on a limited basis.

Our booth cost is \$50 per booth space with no table and \$60 for a booth space with a table. Confirmations will be e-mailed. Please provide your e-mail address on your registration.

You may also book your space online at [www.inspiremenow.org](http://www.inspiremenow.org). Click on the blue "register now" button and go to **events**. Please be sure to provide all the information requested.

Our show this year will be, **Saturday, November 2, 2019 at the Duncan Lake Middle School, 9757 Duncan Lake Rd. Sign up early as tables will be limited.**

As an exhibitor you will be responsible for:

1. Taking care of your own trash
2. Sending payment with registration
3. Submitting your sales tax number or requesting a form from the Resource Center office.
4. Parking in the designated crafter parking area after unloading. (A map will be sent to you prior to the show date.)

For your convenience we will provide tables for a small fee. If you desire only a space please indicate this on the agreement form. **Tables will not be available at the show if they have not been reserved in advance. Chairs will be available.**

If you have any questions please call the Caledonia Resource Center office at **891-8117**.

Sincerely,

Monique Brennan  
Caledonia Resource Center
