Attachments: Phillip Smith-Hanes.vcf; By Laws for KCAA-revised 101918.docx; ATT00001.txt

Attached are the proposed by-laws with the amendments as discussed at our meeting. If you have paid your dues for 2018, please vote to approve or disapprove these by-laws by sending me an e-mail.

Here is how the NACA block membership will work, after clarification from staff in D.C.:

1. We will bill everyone for their 2019 KCAA dues in January. Dues are payable immediately upon receipt of invoice. Anyone who does not pay by March 31 will not be considered a member of KCAA.
2. In April, we will get an invoice from NACA. Our Treasurer will submit a spreadsheet listing name, county and title for each paid member of KCAA and a check for \$50 per person to NACA. You will not need to fill out a separate membership form for NACA.
3. Membership in NACA will be effective July 1, 2019. This works out for everyone who is a current member, because all Kansas members are currently on a June 30 renewal deadline. If you receive an invoice from NACA for your individual dues for 2019, DO NOT pay it.

Let me know if there are any more questions and have a good weekend.

County Administrators/Managers/Coordinators/Assistants/Deputies:
Happy Friday the 13th!

In a case of the curse of being the new guy (particularly the new guy who opens his big mouth), several of you elected me president of the Kansas County Administrators Association last fall at the KAC conference in Overland Park. It has been made clear to me this is more in the nature of a hazing ritual than an honor - unlike our capable representation by Doug Bach, currently serving as president of the Kansas Association of City/County Management, and Robert Reece, past president of the National Association of County Administrators. However, I have been intending to seize this opportunity to make lemonade and reach out to you on a few different topics:

1. **Newbies** - I've included in this list Lucas Goff, the MIS/GIS Director at Cowley County who I understand has been named County Administrator effective Feb. 1 when Jeremy Willmoth leaves us for the dark side. I hope you'll all welcome Lucas. I also understand that Franklin County is currently in the midst of a County Administrator search so we might have a new face there soon.
2. **Treasurer** - Along with my presidency, Sam Ragsdale of Ford County was elected Treasurer of the organization in a bid by Anthony Swartzendruber to throw off the mantle of this great responsibility. However, J.D. informed me this week that Sam has left Ford County so that dramatically upped the urgency of my sending you this note. Although we apparently don't have bylaws that dictate membership or eligibility to hold office, it's probably not a great idea to have a Treasurer who's not actually a member of the organization anymore. So... Who wants the hot potato? Anthony has graciously - reluctantly - agreed to send out dues notices if we don't get any volunteers by March 1, but he REALLY doesn't want to be Treasurer one more year. C'mon, help a guy out here. (Or we could just nominate Lucas since he's the newest.) Seriously... someone volunteer. Pretty please.
3. **Membership** - Oh yeah, speaking of dues and membership, I hope all of you will consider kicking in your \$50 this year and, more importantly, attending the annual meeting of our august group. It's only four hours out of your life, and we got a lot of good info out of Nathan last fall in Overland Park. I've included on this e-mail several folks who haven't been members in the past in the hope that my bright shining visage will induce you to come into the fold.
4. **Meeting** - And while we're on the topic of the annual meeting, has anyone noticed that the KAC and KACM fall conferences are the same dates? (Well, okay, technically KAC is Tuesday through Thursday and KACM is Wednesday through Friday, but still significant overlap.) The good news is that KAC is in OP again and KACM is in Lenexa, so... that should mean all of you are at one meeting or the other (if not both) and have NO EXCUSE not to attend our business meeting. As things draw closer, I'll be in contact with both KAC and League staff and see if we can coordinate a time (and meeting location) for our get-together that complements rather than conflicts with schedules at the two conferences.

Have a great 2017 and stay safe and warm this weekend. But most importantly, **let me know if you want to be Treasurer!**

Thanks,
