*Happy
New Year!*

From the Desk of Timothy Sexton, Exalted Ruler

Well, it certainly was a 'December to Remember' around the East Brunswick lodge this year. I'm reminded of the famous line in one of my favorite movies (Field of Dreams) "If you build it, they will come". After weeks of planning, model train layout construction, and food preparation by Brian and Jeanette Whary and their dedicated cohorts, the success of Breakfast with Santa was almost dashed by an early season snow storm. Having worked the day before to prepare food and elaborate decorations, would the significant downfall force a cancellation or greatly diminish attendance? No way!

The Kitchen crew braved the wintry conditions and started last minute prepping by 6 A.M. The snow plowing expertise of Jamesburg Elk Andy Tecreté cleared the road and parking lot and by 9 A.M. all was ready for Mr. and Mrs. Clause. First just a few, then a few more guests trickled in, then more and more friends braved the roads. By 10 o'clock, well over a hundred guests, many with eager children in tow were enjoying the wonderful breakfast spread, ladled out by our 4 young elves from the town's youth council who volunteered their time to assist us for this charity event. Diamond Dave, as he so often does, provided the seasonal music as he ably emceed the morning events high-lighted by the arrival of Santa and the lovely Mrs. Clause. The snow provided a stunning vista of winter's majesty as guests gathered on our new deck to take in the view over Farrington Lake. What can I say about this kind of dedication other than 'thank you all.

Earlier this month, the Lodge leadership fulfilled its December 7th obligation to remember our brothers and sisters who are no longer with us. It was especially gratifying to see some of our newest members in attendance.

We followed up 'Breakfast w/Santa' with a highly successful and totally delicious "Chilli Cook-off" organized by Gail Ricart. Lee, Rachel and Julie were instrumental in facilitating a smooth-running event. Nine or ten lodge members used their culinary talents to vie for best chilli. The competition was fierce because all the entries showed off a talent for creating a pot worthy of praise. In the end, the judges awarded top honors to our very own Tiler, Ray Graulich, while two of our newest members garnered 2nd and third place medals for their entries.

As I write this on the first day of winter, I look forward to the upcoming festivities including our eagerly awaited New Year's Eve Gale to be followed by Joan Scadudo's annual roast pork dinner on the first. Here's wishing you all a joyous holiday season and may the new year bring you all the joys of family, friendship and fraternal fellowship.

P.S. I can't believe my chilli didn't win!

Drug Awareness: Rosemary Simmons Chair, Gail Ricart VP Region One Co-Chair

Rosemary Simmons, our Lodge Chair for Drug Awareness, is pleased to announce that she and Joan will serve as an advisors to the Peer Leadership program for ten students. This program will be held over the weekend of February 5-8 at the Ocean Hotel in Long Branch, New Jersey.

East Brunswick Lodge will also provide support to the students throughout the event. The program will include a variety of activities, such as seminars, dances, breakfasts, luncheons, and dinners.

On December 16, 2025, the Lodge hosted a Drug Awareness fundraiser chili contest. A panel of judges selected the chili that will advance to the district competition at Colonia Lodge on January 28, 2026. Ray emerged victorious, securing first place. Russ secured second place and the People's Choice Award. Adam secured third place.

We extend our sincere gratitude to all individuals who contributed chili to the contest. The chili was exceptional, and we are deeply appreciative of all competitors who participated in this annual event.

Additionally, we would like to acknowledge the invaluable contributions of those who assisted with the chili contest. Your support was instrumental in the event's resounding success. We would be honored if you could attend the district competition on January 28 at Colonia Lodge to support Ray. Your presence would be greatly appreciated.

Thank you once again for your unwavering support and dedication to Drug Awareness.

During our Lodge meeting on the evening of December 16, 2025, we gathered in a spirit of reverence and unity as we undertook the meaningful task of restoring our cherished emblem—the magnificent elk—to its rightful place in our beautifully adorned hall. This stunning creature, revered as our national symbol, encapsulates the very essence of Elk lodges, embodying not just strength, but also the deep bonds of community that connect us all.

Elks, with their graceful movements and majestic presence, roam freely in the wild, often forming closely knit herds that reflect a profound sense of solidarity and resilience. These gentle giants safeguard one another, showcasing a remarkable spirit of camaraderie and guardianship that resonates deeply within our own gatherings.

As we welcomed our esteemed advisors, we stood in awe beneath the imposing antlers of the elk; an inspiring emblem of protection and wisdom. It is imperative that we honor the elk and its profound significance, cherishing what we hold dear in Elkdome and ensuring that we never take for granted the values it represents.

A heartfelt thank you to all our members for their unwavering support for Jack the elk, who continues to symbolize our shared commitment and aspirations.

Americanism: Brian Whary, chair

Breakfast with Santa PJ Party was a great success. This Americanism sponsored event was a resounding success despite the heavy snowfall Saturday night into Sunday morning. We ran the event a bit longer than planned to give people time to dig out and get their parties to the Lodge. The Americanism Train was a hit with both the adults and the children. I am quite sure next year will be even bigger than this past event. I am waiting on the final numbers from the Sunday event, but I do believe that our committee raised some much-needed funds for future Americanism projects.

We had a large contingent of Special Needs Children at the event and Santa gave each child a new donated book and some stuffed animals one of our members was able to secure. We also had a group of five volunteers from their East Brunswick Youth Council, who acted as food servers for the event. These volunteers were excellent, and their Chaperone Martin agreed they can be utilized at all future Elks events where alcohol is not served. We plan on using them very soon as they need to accrue a total number of volunteer hours for their resumes.

We received a total of six essays by way of our Elks #2370 member contact Dana Zimbicki, president at the East Brunswick Education Association. We received one, 5th grade submission, three 6th grade submissions and two from the 8th grade. I have chosen one essay from each division as better than the others and will be submitting them to thee district on Jan. 19th.

We are still actively working with one of our members (Dave Lonski) to get more information on our one submission for Citizen of the Year 2026. I should have a full progress update before the January meeting.

Regarding Flag retirements: We have a fire pit and our local Scout Troop has done this event for several iterations. We can do it again unless another lodge wants to step up.

Government Relations: George Michaels, PER, chair

Committee chairs help your lodge and the Elks order do our work. At least once a month, submit a government relations form. The form is simple and only takes a few seconds to complete.

Grand Lodge uses these reports to justify our charitable work, and to keep our tax-exempt status. Without these reports our status could be in jeopardy, which would endanger our existence, and the good we do.

Fill the form out when you complete your after-event report. Fill out the form when you prepare your report for a lodge meeting. Fill out your government relations report when you do anything.

If you are chair of a charitable committee, report when you go to a state or district meeting. Did you go to an event outside the lodge for your committee, or hold an event, then report it. Did you come to a lodge meeting and give your committee report? That falls under your charitable activities, so fill out a form.

Turn your forms in at least once a month to me or put them in the Trustees mailbox at the lodge. Forms are available online, or on the forms rack in the entranceway. If you need any assistance or questions, contact me. Let us keep our order functioning and doing our charitable tasks.

GOVERNMENT RELATIONS: George Michaels, PER chair

Please give your Government Relations forms to me within 2 weeks from having your event. The report is easy to do. I always have the forms with me at meetings. I will try to get a few in the box upstairs. The information needed is as follows: of participants

of Elks

of helpers

of Elk miles

#of helper miles

of Elk hours

of helper hours

Going forward, please submit your Government Relations reports to George Michaels, PER within two weeks of your event or meeting.

It takes a Team! Let's Grow Together!
