Membership Commitment

The Inner Sound Circle requires a minimum three-month commitment. This container is designed to support consistency and allow the work to build over time.

Payment

Memberships are billed monthly via invoice and due on the first of each month. Invoices are sent a few days prior. Unpaid accounts will result in paused sessions and membership access until payment is received.

Use of Sessions

All sessions included in your membership must be used within the month they are assigned. Sessions do not roll over to future months.

Cancellations & Rescheduling

A minimum of 24 hours notice is required to reschedule a private session. Late cancellations or missed appointments will result in the session being forfeited.

Ending Membership

After the initial three-month commitment, membership may be canceled with 30 days written notice prior to the next billing cycle.

If membership is canceled and later resumed, it will be offered at the current regular rate. Previous promotional pricing will not be reinstated.

Scope of Practice

Sound healing is a complementary wellness practice and is not a substitute for medical or mental health care. By participating, you acknowledge responsibility for your own wellbeing and agree to communicate any relevant concerns prior to your sessions.
