

AI IN EDUCATION SPEAKER

Mark Henderson

AI in Education, Without the Hype

Keynotes and workshops for K-12 schools, colleges, and universities that want clear, practical answers about AI.

100+ AI presentations

12 states

K to College audiences

Featured at: COSSBA National Conferences (Dallas, Atlanta, Louisville), Kansas City PBS K-12 Technology Conference, Illinois Education Joint Annual Conference (Chicago), Quality Matters, Hancock Place AI Summit (St. Louis)

ABOUT

Mark Henderson is a national speaker and consultant on AI in education and the Director of AI Strategy & Services at the Missouri School Boards' Association. A former high school English teacher, he gives practical, plain-English sessions with a sense of humor. Based in Columbia, Missouri.

TOPICS

AI 101

What AI is, how it works, and how to use it, with no jargon and no panic.

Teaching in the Age of AI

Practical professional development for K-12 and higher ed faculty.

What Students Need to Know About AI

Responsible use and honest work, tailored to every grade level.

AI Staff Development

Prompting, tool choice, data protection, and staff guidelines.

WHAT PLANNERS SAY

"Mark Henderson is a dynamic speaker who brings energy and insight to the topic of AI. His sessions are practical and realistic, which is exactly what instructors need."

Lauren Hays, Event Coordinator, Kansas City PBS K-12 Technology Conference

WAYS TO WORK TOGETHER

- Keynotes
- Workshops and professional development
- Conference breakout sessions
- Panels and discussions
- In person or virtual, from 60 minutes to half-day workshops

AI & Schools

The real challenges and opportunities, so decisions aren't reactive ones.

Academic Honesty in the Age of AI

Why detectors fall short, and how to redesign assignments instead.

AI Companionship

Why teens turn to AI chatbots, the risks, red flags, and what to do.

Planning Your AI Strategy

Key areas and questions for leadership and planning teams.

"Our teachers hang on his every word and always leave wanting more time to learn from and work with him."

Lauren Wiegand, Event Coordinator, Hancock Place Educator AI Summit
