

This Is How “Being an Exponential Coach” Is Structured To Help You Create Exponential Results In Your Career & In Your Life!

Session 1: Mind-Open Mastery

Mind-Open and not Mindset is the real secret behind exponential success, achievement and fulfilment. Success can be challenging because it's not linear. So, the very mindsets that have made you successful in life and business so far can be precisely what's holding you back from the next level of success. This session includes:

- What does it take to become a master at what you do? Discover **the essential 3 elements of mastery**
- Unearth **the “secret sauce” of coaching** at the level of Mastery
- Discover **the mind-open strategies that change everything** and shift you to the next level of success
- **“The Perfect System” tool** to break free from disruptive thinking patterns that hold you back
- Insights and exercises which shape your mind and body to prepare for **mastery**

Session 2: Deep Inner Work

This program is called BEING an Exponential Coach. Your being, your presence, the deep inner work you do counts at this level because you can't take a client or your people any deeper than you've gone yourself. This session includes:

- 5 exercises which will **create change at a deep level** for lasting impact
- Understand **the power of personal & professional leadership** and how to use language that impacts your clients and your people
- Discover **how to unlock your “Zone of Genius”**
- Dive into deep inner work to **become more present with your clients & people** and take them deeper than ever before
- Build **a powerful foundation** so you're ready to work with any high-profile or high-achieving client or staff member without ever feeling inferior or intimidated

Session 3: Exponential Coaching

What skills do you need to coach your people and especially, the top performers? You'll find out in this session, which includes:

- **The 5 elements of Exponential Coaching**
- Unlock **the secret art of deep listening**
- How to **take your people deeper than they've ever gone before** and play at the inner game of results
- How to use **experiments and games to draw out greatness in your people**
- The 18 components of **Fearless Coaching** you need to know

Session 4: Exponential Thinking

In a world where people focus on 10% incremental growth in their life and business, we want to play in a world where we're looking at 10x growth. Creating **exponential** uplifts for yourself and your people requires **exponential** thinking.

This session includes:

- How **Exponential Thinking** leads you into creating **Exponential impact**
- **The 4 elements of Exponential Thinking** and how it can deeply shift motivation and open the doors to higher performance
- **The art of bringing people to the very edge of their discomfort** without overwhelming them to create an **Exponential Life**
- Understand **the distinction between 'simple', 'complicated' and 'complex' problems**, which can help your people unlock their **Exponential** game
- **9 pitfalls of top performers** and the limiting beliefs of high performers

Session 5: Exponential Community

There's real power in seeking out a community of people who stretch, challenge and push you. Here, you'll learn how to surround yourself with the best peers, clients, and team so you can take your practice to the next level. This session includes:

- **Why creating an Exponential Community is crucial** to reach your next level of success
- Learn how to **design an environment of being with the right people** who understand you and raise the bar for and with you
- **The 3 elements of building an Exponential Community**
- **One powerful question to ask yourself** to attract and build an Exponential Team
- How to create **a high-performing community and extraordinary team**

Session 6: Selling The Invisible

Selling the invisible. How do you sell the benefits of this “invisible” thing called Coaching to your people? In this session, we’ll explore how to really sell this thing we do that transforms lives but is so hard to put into words. This module includes:

- How to sell the invisible: **The 5 Point System**
- **The truth about resistance** and why it’s not where you think it is
- **The 4-step process to get the buy-in from your people** that feels natural and fun
- **A 90-Day Achievement Game** to accelerate your personal & professional growth
- Create Strong Allies: **The 6 Boxes Tool**

Session 7: Serving the Incredible

How do you engage and influence people on your team to create more top performers? How do you coach people who have done more amazing things than you may have? We’ll dive into that. This session includes:

- Addressing **the 3 common fears around coaching people** who play an even bigger game than you
- **How to coach people who are more successful in their roles or smarter than you**
- **How to lead difficult or powerful people** to see what they cannot see for themselves and overcome their blind spots
- **Powerful insights** on how to coach a direct report with a huge vision for themselves
- **Tools to create Exponential Success** for yourself and your people

Session 8: Exponential Impact

How do you 10X your influence and impact? What does it take to have a real impact on the person sitting in front of you? What does it take to have an impact out there in the world? This final principle will set you on the path to **Exponential Impact**. This session includes:

- How you can jump past incremental progress and **start creating Exponential Impact**
- **A 5-part tool to 10X your impact** and bring powerful shifts for you and your people
