

SAGE 50 ACCOUNTS TRAINING

SCHOOL OF PROFESSIONAL AND REMEDIAL STUDIES

SAGE 50

The School of Professional and Remedial Studies at Christ College is a centre of excellence equipped for Blended Learning Activities. It is also designed to cater for Professional courses in different disciplines enriching our students and participants with up to date product and industry based application of learning concepts.

Sage 50 Accounts is suitable both for those already working in, as well as those interested in entering, the accounting and the business sector.

Keeping up to date with the finances is an integral part of business, regardless of the size or Industry and computerised accounts are becoming more and more important in the current financial climate.

For the small business Sage 50 Accounts is the perfect solution, allowing easy financial management. Sage 50 Accounts forms the cornerstone of the Sage 50 accounts software range and can be fully integrated with a range of applications including Sage 50 HR, ACT by Sage, Sage 50 P11D and Sage 50 Payroll software. It is the complete small business accountancy solution that is secure, quick and easy to use.

There are three versions of Sage 50 Accounts:

- Sage 50 Accounts
- Sage 50 Accounts Plus
- Sage 50 Accounts Professional

SAGE 50 ACCOUNTS

Sage 50 Accounts is packed with features to help keep your business truly organised and ensure you get paid on time. As well as improving cash flow, Sage 50 Accounts helps you to manage your other day-to-day finances. You'll be more in control of your finances and be able to free-up time for other areas of your business.

SAGE 50 ACCOUNTS PLUS

In addition to helping, you keep track of your daily tasks, Sage 50 Accounts Plus will also help chase your growing customer base and ensure that you get paid on time. Whether you need to manage project costs against budgets, or improve your stock management, Sage50 Accounts Plus lets you do it all, and helps you stay in complete control.
