

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**AMENDMENT - MAINTENANCE OF HEAT
OR WINTERIZATION REQUIREMENT**

This endorsement modifies insurance provided under the following:

CAUSES OF LOSS -- SPECIAL FORM

AMENDMENT TO EXCLUSIONS - CAUSES OF LOSS - SPECIAL FORM

The following modifies insurance provided under the Causes of Loss Special Form:

MAINTENANCE OF HEAT OR WINTERIZATION REQUIREMENT

The following replaces paragraph 2.g. under B. Exclusions:

2. We will not pay for loss or damage caused or resulting from any of the following:

g. Water, other liquids, powder or molten material that leaks or flows from plumbing, heating, air conditioning or other equipment (except fire protective systems) caused by or resulting from freezing.

(1) if you are responsible for maintaining and repairing the plumbing, heating, air conditioning, or other equipment in the building, structure, and units within the building or structure (including any appurtenant structures) insured under your policy, and you fail to exercise due diligence to:

(a) Maintain adequate heat in the building, structure, and units within the building or structure (including any appurtenant structures) insured under your policy in which Covered Property is located;

(b) Drain, prepare, and shut off the supply of water or steam to appliances, equipment, and associated piping of the system containing water or steam, if adequate heat is not maintained; or

(c) Adequately protect the system or systems supplying water or steam through the application of antifreeze or other chemical additive;

or

(2) if the occupier of a unit within the building or structure (including any appurtenant structures) insured under your policy is responsible for maintaining and repairing the plumbing, heating, air conditioning, or other equipment in the unit, and you fail to exercise due diligence over the occupier of the unit to:

(a) Maintain adequate heat in the unit in which Covered Property is located;

(b) Drain, prepare, and shut off the supply of water or steam to appliances, equipment, and associated piping of the system containing water or steam, if adequate heat is not maintained; or

(c) Adequately protect the system or systems supplying water or steam through the application of antifreeze or other chemical additive.

If provision g. (1) above applies, such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. We will not pay for resulting damage to the building or structure (including any appurtenant structures) insured under your policy or to Covered Property within any units.

If provision g. (2) above applies, such loss or damage to the unit, or to Covered Property within the unit, is excluded, regardless of any other cause or event that contributes concurrently or in any sequence to the loss. We will pay for resulting damage to the building or structure (including any appurtenant

structures) insured under your policy and to Covered Property within any units not occupied by such occupier and that is not otherwise excluded.

All other terms and conditions remain unchanged.
