

## **Light Reflecting Material Program**

### **Policy #1 - Eligible Materials**

**Endorsed by Program Policy Committee:** July 18, 2020

1. Purchase from approved seller
  - To be eligible, materials must be new, purchased from a dealer authorized by the manufacturer or a broker approved by the Program Policy Committee.
  - A receipt for payment of the materials must be provided.
  - As of July 18, 2019, the following are approved sellers:
    - Extenday
    - Farmsolutions.net
    - Bright White Reflective Fabric (Sulzer)
  - Materials purchased from dealer or broker which the manufacturer does not authorize are not eligible for the program. For clarity, private sales of light reflecting material from one farm operation to another farm operation are not eligible for the program.
  
2. Purchase approved materials
  - To be eligible, materials must be approved materials.
  - As of July 18, the following are approved materials:
    - Extenday
    - ReflectaKnit
    - Bright White reflective Fabric
  - Materials not listed as approved will be ineligible for the program. Specifically, mylar materials are not eligible.
  
3. Materials must be delivered in the Program Year. The 2020 Program Year is the calendar year 2020, from January 1, 2020 to December 31, 2020.
  
4. Changes to the list of approved sellers and materials
  - The current year's approved list of sellers and materials will be provided on the website. [www.nvdc.ca](http://www.nvdc.ca)
