

UNLEASH YOUR SMILE POWER™

Why Go PPO

You may visit any licensed dentist, but you will save the most money by visiting a PPO dentist. That's because PPO dentists agree to accept lower reimbursements for services.

Find A Dentist

It's easy to find a Delta Dental dentist near you with our provider search tool at deltadentalaz.com or in the Delta Dental Mobile App.

Easy Benefits Coordination

If you're covered under two plans, ask your dentist to include information about both plans with your claim, and we'll handle the rest.

No ID Card Necessary

Just give your dental office your name and member ID. Don't know your member ID? Pull up an electronic ID card on your smartphone at the dentist's office by logging in to the Delta Dental Mobile App.

Download The Mobile App

Access your benefits and view your ID card on-the-go with the Delta Dental Mobile App. It's free for Android and iOS!

Know Your Coverage

New to the Delta Dental PPO plan? This plan covers treatment started and completed after your plan's effective date of coverage.¹ Your benefit summary and benefit booklet have specific details about covered treatments.

Register Online

Sign up for the Member Connection at deltadentalaz.com/member to view benefits, eligibility and claims status or to check average dental costs in your area. You can also update your delivery preference for dental benefits statements (EOBs) and go paperless!

Understand Common Dental Terms

It's our goal to make your benefits simple to use and easy to understand. Here are some common terms defined:

- **Annual Maximum** – The maximum dollar amount Delta Dental will pay toward the cost of dental care within a specific benefit period.
- **Deductible** – The amount you pay for covered dental services before Delta Dental begins to pay.
- **Coinsurance** – The percentage of dental care expenses you pay after your deductible.
- **Predetermination** – A pre-treatment estimate that helps determine the cost of a recommended dental treatment.

¹ Applies only to procedures covered under your plan. If you began treatment prior to your effective date of coverage, you or your prior carrier will be responsible for any costs. Group-specific and other exceptions may apply. Enrollees currently undergoing active orthodontic treatment may be eligible to continue treatment. Refer to your benefit booklet for specific details about your plan.

COVERED DENTAL SERVICES

PREVENTIVE SERVICES

- Exams, evaluations or consultations: Two in a benefit year.
- Topical Application of Fluoride: For children to age 18 - Two in a benefit year.
- Routine Cleanings (Limited to three times in a benefit year, or one difficult cleaning may be exchanged for one routine cleaning. However the difficult cleaning is limited to not more than once in a five year period).
- Sealants: For children up to age 19 - Once in a 3-year period for permanent molars and bicuspids.
- Full mouth/Panorex or vertical bitewings X-rays: Once in a 5-year period.
- Bitewing X-rays: One in a benefit year.
- Periapical X-rays: Six in a benefit year.
- Space Maintainers: For missing posterior primary (baby) teeth up to age 14.

BASIC SERVICES (Deductible applies to these services.)

- Emergency (Palliative Treatment): Treatment for the relief of pain.
- Endodontics: Root canal treatment (permanent teeth). Pulpotomy primary (baby) teeth.
- Periodontics: Treatment of gum disease - Non-surgical once every two years. Surgical once every three years.
- Fillings consisting of silver amalgam and synthetic tooth color fillings
- Oral Surgery: Simple extractions.

MAJOR SERVICES (Deductible applies to these services.)

- Prosthodontics: Bridges, partial dentures, complete dentures - 7-year waiting period for replacement last performed.
- Bridge and Denture Repair: Repair of such appliances to their original condition, including relining of dentures.
- Restorative: Crowns and onlays - 7-year waiting period for replacement last performed.
- Implant- Implants are only a benefit to replace a single missing tooth once in a seven (7) year interval from the date the procedure was last performed.
- Oral Surgery: Surgical extractions.

ORTHODONTIC SERVICES

- Benefit for children ages 8-19. Children must be banded prior to age 17. Payable in two payments - upon initial banding and 12 months after. The orthodontic maximum is separate from the annual maximum for your other dental benefits.

DENTIST PAYMENTS

The **Delta Dental PPO plus Premier plan** leverages the PPO and Premier networks. This provides all the benefits of Delta Dental PPO plan with a plus-members that visit a dentist in the Premier network still receive the benefit of that dentist's contracted fee.

- **PPO Dentist** -- These in-network dentists agreed to accept lower reimbursement for services so members save the most money.
- **Premier Dentist** -- These in-network dentists also accept discounted reimbursement for services, but their discount is not as steep.
- **Out-of-Network Dentist** -- These dentists have not agreed to discount their rates for service, so members who see an out-of-network dentist will have the highest out-of-pocket costs. Members are responsible for paying the full fee charged by the dentist and can submit for reimbursement at the non-participating table of allowance.
