

"Seeing courage spreads courage.

Seeing boldness awakens boldness.

Seeing fearlessness overcomes fear."

The Praise Out Cancer Foundation Look Good – Feel Good Charity Fashion Show and Luncheon, held on Saturday 21st of September at the Lovely Hill Conference Center in St. George, SC was an incredible success, exceeding all expectations and leaving an indelible mark on those who attended.

However this extraordinary event did not celebrate fashion but was a living testimony of the resilience and victory of the models that inspired us all. Yes, some of the models were either fighting the battle against cancer, or celebrating a victory over cancer, or remembering and honoring someone who has lost the battle against cancer. Each model had high energy and was able create great crowd participation as they made their way down the runway.

These brave individuals displayed courage, resilience and positivity on the runway, inspiring hope and healing in the hearts of all attendees.

The afternoon included priceless information concerning respite care given by Bambi Rushton of the Ark of Harleyville, and the inspiration story of her cancer journey delivered by Candy Renee, Breast Cancer Advocate (Orangeburg). We thank them for inspiring and educating our audience.

This success of the show enables POCF in its efforts to continue providing support to the Roper St. Francis Cancer Center and Zero Prostate Cancer, to continue funding our POC Grant support program, and continue to raise cancer awareness in our community.

None of this would be possible without the help of God and the commitment from these local businesses that fight cancer in our community: the Dorchester – Eagle Record, Food Lion (St. George), White Oak Chapter 37, Blooms Flowers (St. George), Touched By K Event Design, Mike Gillard's Lock Shop (Holly Hill), Fabrics and More (St. George), Imperfezion Deizgnz (Orangeburg), First Citizens Bank (St. George), Green's Grub On Wheels, (Vance), Santee Home Services, State Farm (St. George, SC), PRTC (St. George), Hutto Ace Hardware (St. George, SC), The Citizens Bank, (St. George), Gaillard Insurance (St. George), Boyd Home Furnishings (St. George), Quattlebaum Law Firm (St. George), Stevens Funeral Home, (St. George), Family Ford – Chevrolet –GMC (St. George), The Lovely Hill Conference Center (St. George), Jericho Baptist Church, (Reevesville), Red Hill Baptist Church (Santee), Rock Hill AME Church (Vance), La Pearl Handcrafts (Reevesville), the Vertical Printshop (St. George), The Kristle Shanell Show (Atlanta), HGG Song Ministries and many individual who wish to remain anonymous. We thank them greatly.

We are thrilled with the success of our Praise Out Cancer Foundation Look Good – Feel Good Charity Fashion Show and Luncheon. Our goal was to have an event that not only celebrates fashion but also the incredible stories of resilience beyond the designs. We are grateful to everyone who supported this vision and made this event possible. The event taught everyone that they can Look Good and Feel Good in spite of what they have experienced.
