

Malqueen Rivers, Praise Out Cancer Spokesperson, says, "Wearing pink means I care, but raising funds and motivating others says I want to make a difference."

WHY YOU SHOULD DONATE

Your donation will help us fund our well received, Praise Out Cancer (POC) Grant. Our POC Grant is a community cancer financial fund that seeks to help minimize a small portion of the financial burdens that come with breast and prostate cancer by providing financial support to patients, in our area, who are undergoing active treatment, so that they may focus on recovery and survivorship.

WE ARE COMMITTED TO BEING A BLESSING
TO THOSE WHO ARE TOUCHED BY CANCER

FACT

Women have about an 1 in 8 chance of being diagnosed with breast cancer, but it might surprise you to learn that 1 in 7 men will be diagnosed with prostate cancer.

OUR MISSION

The Praise Out Cancer Foundation, a 501c3 non-profit organization, was found in 2017 to provide help and inspire hope to those affected by breast and prostate cancer through education, sharing information and aiding patients by supporting cancer treatment centers.
