POCF Cancer Awareness Workshop

During the Bethel Union at Jericho Baptist Church (Reevesville, SC)

Reevesville, SC (Aug 29, 2026) — The Praise Out Cancer Foundation (POCF) just hosted its very first 15-minute Cancer Awareness Workshop at the Bethel Union gathering at Jericho Baptist Church! Guided by the motto “Knowledge Today, A Healthier Tomorrow,” the quick session was all about making vital health info easy to understand and use. Instead of just lecturing, we got everyone chatting, asking questions, and sharing personal stories.

We covered the essentials:

- Why catching cancer early saves lives.
- Simple lifestyle changes to lower your risk.
- Common cancers and the screenings you need.
- Local resources to help families stay supported.

Everyone walked away with a Workshop Companion Guide to help keep the conversation going with friends and neighbors. At POCF, we truly believe that when we share what we learn, our community gets stronger. After all:

"Each One—Help One! Early Detection Saves Lives."

Bring your family, invite your friends, and come celebrate the story of how earlier generations survived through faith, farming, gardening, hunting, preserving food, and helping their neighbors.

The Praise Out Cancer Foundation would like to thank the many businesses, organizations, churches, and individuals, as well as those who wish to remain anonymous that share our vision. Through donations, in-kind gifts, sponsorships, and volunteering, our supporters help us in achieving our mission. With their help we are able to provide help and inspire hope to those affected by cancer through education, awareness programs, support to local treatment centers, and to individuals in our community with our Praise Out Cancer Grant.

Please show your gratitude by patronizing these businesses, thank them and tell them you saw their ad in our Praise Out Cancer Fashion Show and Luncheon Souvenir Journal.
