**Other ways to get  
involved:**

**Trade sponsorships:**

If your business has goods or services to offer our runners, such as merchandise, food, or gift certificates, you qualify for a sponsorship level equal to the value of your offerings (minus the free registration option).

**Supporter Tier:**

We offer a \$50 sponsorship level for folks who want to show their support and just want a little visibility. Supporters will get their logo on the website sponsor page and be included in the group shout-out on our race-week socials post.

**Volunteer:**

Sign up to volunteer and wear your business' promotional items and/or bring flyers on race day! You'll have a great time, guaranteed!!
