the nonexclusive right and easement of enjoyment in and to such Common Areas by each Owner of a Lot in Royal Forest Subdivision No. 6. Such easements shall not be personal, but shall be considered appurtenant to the Lots, which easement shall pass with the title to the Lots whether specifically set forth in deeds to the Lots or not, subject to the following:

A. The right of Declarant to make and enforce reasonable rules and regulations to carry out the terms of this Declaration and to fulfill its purposes.

B. The right of Declarant to fix and levy reasonable assessments equally against Lots in Royal Forest Subdivision No. 6 as to the Common Areas and Entrance Easement and equally against all Lots in Royal Forest Subdivision No. 6 as it relates to the Storm Water Facilities located upon adjoining property and serving all Lots in Royal Forest Subdivision No. 6 in accordance with the Retention Basin Agreement, which assessments shall be utilized solely for the operation, use, maintenance, repair, replacement or administration of the Common Areas, Entrance Easement and the Storm Water Facilities for which they were assessed and the Association.

C. The right of Declarant to construct, maintain, repair, replace, use and administer improvements on the Common Areas, Entrance Easement, and Storm Water Facilities for the benefit of the Owners.

D. The right of the Declarant to grant a similar non-exclusive right and easement of enjoyment in and to the Common

Areas, Entrance Easement and Storm Water Facilities to others that are not Owners in Royal Forest Subdivision No. 6.

E. The right of the Declarant to grant additional membership in the Association to the persons who are or may become Owners of land divided substantially in the same manner as set forth in the tentative preliminary plat approved by the Charter Township of Shelby, Macomb County, Michigan; provided, however, all such additional memberships shall be subject to the same or similar right, obligations, duties and assessments that are imposed on the Owners by this Declaration.

Section 2. Control and Jurisdiction of Common Areas. Control and jurisdiction over the Common Areas, and Entrance Easement shall be vested in the Association known as Royal Forest Subdivision No. 6 Association, hereinafter referred to as the "Association", subject to the control of the Charter Township of Shelby and the Macomb County Road and Drain Commissions or other appropriate governmental agencies.

Section 3. Organization of the Association. The Association is organized as a non-profit corporation, on a non-stock basis, for a perpetual term under the laws of the State of Michigan.

Every Owner of a Lot which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be

When more than one person holds an interest in any Lot, all such persons shall be members but each Lot shall be entitled to only one (1) vote and such persons shall exercise their vote as they among themselves determine. Notwithstanding the foregoing, the Declarant, shall be entitled to six (6) votes for each Lot in which it holds fee simple title in order to assure the orderly development of the subdivision and the Common Areas, Entrance Easement and Storm Water Facilities, provided, however, that upon the happening of either of the following events, whichever occurs first:

Until June 1, 1997 the maximum annual assessment per Lot shall be One Hundred Fifty and no/100 (\$150.00) Dollars.

A. From and after June 1, 1997, the maximum annual assessment may be increased each year not more than five (5%) percent above the maximum assessment for the previous year, without a vote of the membership.

B. From and after June 1, 1997, the maximum annual assessment may be increased above five (5%) percent by a vote of more than fifty (50%) percent of the members, excluding the Declarant, who are voting in person or by proxy, at a meeting duly

called for this vote and the affirmative vote of the Declarant.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum, anything to the contrary notwithstanding. The initial assessment of \$150.00 shall be paid upon at the time Declarant transfers a Lot to any third party and in the case a Lot is sold by the Declarant to a residential builder by option or on land contract, the obligation for the assessments shall be that of the builder prior to a sale to an Owner. Further, that until the lot is occupied by the Owner, the annual assessment charge applicable thereto may be fixed at a reduced amount as uniformly determined by the Board of Directors of the Association.

D. In addition to the annual assessments authorized above, the Association may levy equally against the Owners of Lots in Royal Forest Subdivision No. 6, in any calendar year beginning June 1, 1997, a special assessment applicable to such year only for the purposes of defraying in whole or in part the cost of construction of any capital improvement upon the Common Areas and Entrance Easement, including fixtures and personal property relating thereto, or the cost of establishing or adding to a reserve therefore, provided that any such assessment shall have the assent, at a meeting duly called for such purpose, or more than fifty (50%) percent of all members.

E. In addition to the assessments authorized above, the Association may levy a special annual assessment equally against the Owners of all Lots in Royal Forest Subdivision No. 6, which

assessment shall be used exclusively for the operation, use, maintenance, management and improvement of the Storm Water Facilities located upon adjoining Property which services all Lots in Royal Forest Subdivision No. 6 and other property through water drainage facilities located outside the Property, including but not limited to the payment insurance thereon, the maintenance and repair thereof and the replacement of improvements thereon, for additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof or in connection therewith.

F. A reserve fund for maintenance, repairs and replacement of the Storm Water Facilities that must be maintained, repaired or replaced on a periodic basis, shall be accumulated and maintained by the Association from any annual special assessment levied. To the extent that funds are withdrawn and utilized for the purposes set forth, the funds shall be replenished within a reasonable period notwithstanding any other provision for assessments set forth herein. Written notice of annual assessment shall be sent to every Owner immediately after action assessing the same; provided, however, that where there is more than one Owner of a Lot, only one notice need be sent. Such annual assessments shall be payable within thirty (30) days of such notice.

Section 9. Assessment Delinquency. Any assessments levied hereunder against any lot which are not paid within ten (10) days after the due date (together with expenses of collection set forth below) shall bear interest from the due date at the rate of seven (7%) percent per annum, and the Association may, pursuant to duly promulgated rules and regulations, establish charges for late payment of such assessments. The expenses incurred in collecting any such delinquent assessments, including interest, costs and reasonable attorney fees (not limited to statutory fees), shall be chargeable to the Owner in default and shall be secured by the lien on his lot. No Owner may waive or otherwise escape liability for assessments provided for herein by non-use of the Common Areas or by abandonment of his lot.

Section 10. Subordination of Assessment Lien. The lien for the assessments provided for herein shall be subordinate to the

lien of any first mortgage on the Property: Sale or transfer of any Lot shall not except the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereon.

Section 11. Use, Enjoyment, Maintenance, Restrictions, or Alteration of Common Areas, Entrance Easements and Storm Water Facilities.

A. The Common Areas and Entrance Easement heretofore referred to shall be equally available for the use and enjoyment of all Owners, their immediate families and guests thereof.

B. Except as initially improved by the Declarant, the Common Areas, Entrance Easement and Storm Water Facilities shall not be altered in any way, except for the removal of dead growth and underbrush, without approval of the appropriate governmental agencies.

C. The Association shall be responsible for the maintenance of the Common Areas, Entrance Easement and the Storm Water Facilities and the costs thereof as is more fully set forth herein.

D. The Association shall carry and maintain in full force and effect, with such company or companies as it shall

select, comprehensive general liability insurance for bodily injury and property damage in relation to the Common Areas and Entrance Easement, providing a minimum coverage of Five Hundred Thousand and 00/100 (\$ 500,000.00) Dollars for each occurrence. Such policy of insurance shall name the Macomb County Road Commission and the Charter Township of Shelby as an additional insured by appropriate endorsement thereon. Further, the Association shall indemnify and hold the Macomb County Road Commission harmless from any loss, claim or damage to persons or property arising out of the design, placement, repair, maintenance, or replacement of the Common Areas, provided, such loss, claim or damage was not caused by the fault or negligence of the Macomb County Road Commission.

Section 12. Taxes and Assessments on Common Areas. Any taxes or assessments, if any, assessed against or levied on the Common Areas shall be prorated among the Owners, and Owners of Lots in Royal Forest Subdivision No. 6 and billed as part of the taxes assessed to the Lots.

Section 13. Assessments on Lots owned by Declarant. All Lots owned by Declarant shall not be subject to assessment until transferred to a residential builder or other party in the ordinary course of business.

Section 14. Control and Jurisdiction by Charter Township of Shelby of Common Areas, Entrance Easement and Storm Water Facilities. In the event that the Association shall at any time fail to maintain the Common Areas, Entrance Easement or Storm Water

Facilities in reasonable condition and order, the Township may serve written notice upon the Association or upon the Owners setting forth the manner in which the Association has failed to maintain the Common Areas, Entrance Easement or Storm Water Facilities in reasonable condition and said notice shall include a demand that deficiencies of maintenance be cured within thirty (30) days thereof, and further, shall state the date and place of hearing thereon before the Township Board of Trustees or such other boards, body of officials to whom the Township shall delegate such responsibility, which shall be held within fifteen (15) days of the notice. At such hearing, the Township may modify the terms of the original notice as to the deficiencies and may be given an extension of the time within which they shall be cured. If the deficiencies set forth in the original notice or in the modification thereof shall not be cured within said thirty (30) days or any extension thereof, the Township, in order to prevent the Common Areas, Entrance Easement or Storm Water Facilities from becoming a public nuisance, may enter upon said Common Areas, Entrance Easement or Storm Water Facilities and maintain the same for a period of one (1) year. Said maintenance by the Township shall not constitute a taking of the Common Areas, Entrance Easement or Storm Water Facilities nor vest in the public any additional right to use the same. Before the expiration of the said year, the Township shall upon its own initiative, or upon the request of the Association, call a public hearing upon notice to

the Association and the members thereof, at which hearing the Association or the members shall show cause why such maintenance by the Township shall not, at the election of the Township, continue for a succeeding year. If the Township shall reasonably determine that the Association is ready, willing and able to maintain the Common Areas, Entrance Easement and Storm Water Facilities in reasonable condition, the Township shall cease to maintain the Common Areas, Entrance Easement and Storm Water Facilities at the end of said year. If the Township shall reasonably determine that the Association is not ready, willing and able to maintain the Common Areas, Entrance Easement or Storm Water Facilities during the next succeeding year, and subject to a similar hearing and determination, in each year thereafter, the Township may continue to enter upon said Common Areas, Entrance Easement or Storm Water Facilities and maintain the same. However, should an emergency threatening the public health, safety and general welfare of the public be determined by the Township to exist, the Township shall have the right to take immediate corrective action. The reasonable cost of such maintenance by the Township shall be charged to the Association, and, if not paid, shall be assessed equally against Owners within Royal Forest Subdivision No. 6, and shall become a lien on said Owners' Lots. In addition, the Township shall be subrogated, at its option, to the Association as to all of its rights of collection for any lien as may be herein provided.

With regards to the Storm Water Facilities, any assessment

levied pursuant to this Section 14 may, at the election of the Charter Township of Shelby, be levied pursuant to the Special Assessment District as defined herein.
