Favorite Flowers Limited Edition Vases and Vase Prints

Jean Gabrael Galerie offers exclusive Favorite Flowers Limited Edition Vases and Vase Prints to sophisticated individuals and organizations for collecting and decorating for home and office. Each item is handmade and not mass produced.

Prints from Edward Step's *Favourite Flowers of Garden and Greenhouse* were completed in 1896. It featured illustrations of over 300 plants. As described in the Introduction to this series, Step indicates his illustrations "give brilliance and charms to the garden". Plant information was also provided by William Watson, assistant curator of the Royal Gardens at Kew.

Vases are a traditional and classic Greek vase style called Lekythos. The Lekythos vase was used to store and pour wine in ancient Greece. Our ceramic vases are handmade and painted in Greece using the similar clay and techniques of the ancient Greeks.

Fine Art Prints are produced using the Giclee printing method and both a text print and a print with a background are available together. Mats and frames are optional.

For collectible value the ceramic vases and vase prints are limited to 1,000 copies each. Vases are copyright protected and registered with the United State Patent and Trademark Office (USPTO).
