specializing in creating collectible vases and prints

## **Songs of Bilitis** **Limited Edition Vases and Vase Prints**

**J**ean Gabrael Galerie offers exclusive Vaslav Nijinsky and Tamar Karsavina Limited Edition Vases and Vase Prints to sophisticated individuals and organizations for collecting and decorating for home and office. Each item is handmade and not mass produced.

*The Songs of Bilitis* is a collection of erotic, essentially female poetry by Pierre Louys published in Paris in 1894. Bilitis was interpreted to be the daughter of Sappho, an ancient Greek poetess on the island of Lesbos. George Barbier provided illustrations in 1922. . . .

Vases are a traditional and classic Greek vase style called Amphora. The Amphora vase was used to store and pour wine in ancient Greece. The ceramic vases are handmade and painted in Greece using the similar clay and techniques of the ancient Greeks.

Fine Art Prints are produced using the Giclee printing method and both a text print and a print with a background are both available together. Mats and frames are optional.

For collectible value the ceramic vases and vase prints are limited to 1,000 copies each. Vases are copyright protected and registered with the United State Patent and Trademark Office (USPTO).
