Parrots and Parakeets Limited Edition Vases and Vase Prints

Jean Gabrael Galerie offers exclusive Parrots and Parakeets Limited Edition Vases and Vase Prints to sophisticated individuals and organizations for collecting and decorating for home and office. Each item is handmade and not mass produced.

Parrots and Parakeets Illustrations was completed by W.T. Greene in 1852. Greene was recognized as a naturalist and a wood block illustrator of tropical birds.

Vases are a traditional and classic Greek vase style called Lekythos. The Lekythos vase was used to store and pour wine in ancient Greece. The ceramic vases are handmade and painted in Greece using the similar clay and techniques of the ancient Greeks.

Fine Art Prints are produced using the Giclee printing method and both a text print and a print with a background are both available together. Mats and frames are optional.

For collectible value the ceramic vases and vase prints are limited to 1,000 copies each. Vases are copyright protected and registered with the United State Patent and Trademark Office (USPTO).
