## **Award Designs Special Edition Vases**

**J**ean Gabrael Galerie offers sophisticated Special Edition Award Design Vases to organizations and companies for presentation to individuals regarding leadership, education, achievement, services, athletics and other accomplishments or events..

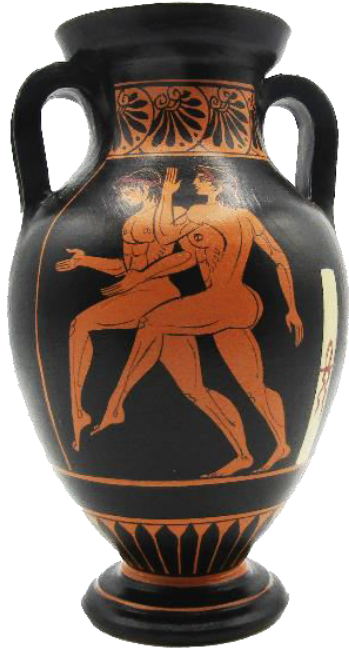

Our vases are a traditional and classic Greek vase style called Amphora. The Amphora vase was used to store and pour wine in ancient Greece. It was often given in ceremonies and events such as the ancient Olympic Games. The ceramic vases are handmade and painted in Greece using the similar clay and techniques of the ancient Greeks.

**Our vases a symbolic embodiment of the ancient Greek vases representing individual accomplishment. Most important they are not cheap or glitzy trophies commonly available, but a sophisticated award to be admired.**

**Note:** Vases are awards from ancient times and are symbolic. Some vases represent athletic ability and today may not specifically represent a current event. Vases are sophisticated awards and typically adult oriented and not meant in most instances for juveniles

For collectible value, the ceramic vases are copyright protected and registered with the United State Patent and Trademark Office (USPTO).
