Favorite Dogs Limited Edition Pottery and Pottery Prints

Jean Gabrael Galerie offers exclusive :Favorite Dogs Limited Edition Pottery and Pottery Prints to sophisticated individuals and organizations for collecting and decorating for home and office. Each item is handmade and not mass produced.

Prints from Vero Shaw's *Illustrated Dogs* were completed in 1888. As described, Shaw illustrations highlight the characteristics of the dog. The illustrations are among the best pictures of dogs.

Pottery is a traditional and classic Greek style called Pyxis. The Pyxis was used as a small storage container for jewelry, coins, spices, etc.in ancient Greece. Our ceramic pottery is handmade and painted in Greece using the similar clay and techniques of the ancient Greeks.

Fine Art Prints are produced using the Giclee printing method and both a text print and a print with a background are both available together. Mats and frames are optional.

For collectible value the ceramic vases and vase prints are limited to 1,000 copies each. Vases and vessels are copyright protected and registered with the United State Patent and Trademark Office (USPTO).
