Fruit illustrations were completed in the early 1900s. Apples, strawberries and were illustrated by outstanding botanical artists.

Vases are a traditional and classic Greek vase style called Amphora. The Amphora vase was used to store and pour wine in ancient Greece. Our ceramic vases are handmade and painted in Greece using the similar clay and techniques of the ancient Greeks.

Fine Art Prints are produced using the Giclee printing method and both a text print and a print with a background are available together. Mats and frames are optional.

For collectible value the ceramic vases and vase prints are limited to 1,000 copies each. Vases are copyright protected and registered with the United State Patent and Trademark Office (USPTO).
