

# Museum Quality Replicas of Ancient Greek Vases

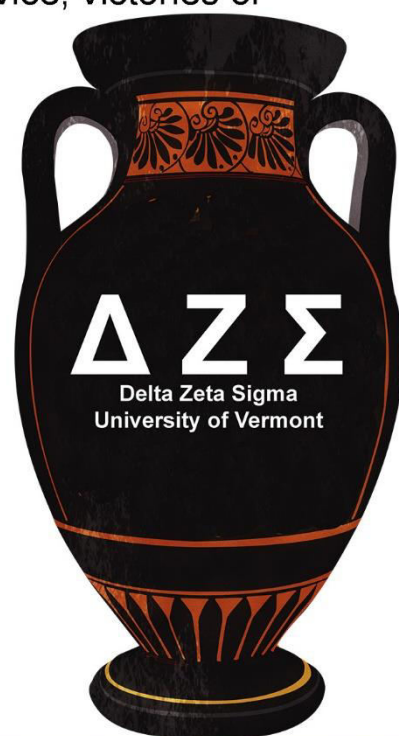

## College Fraternity and Sorority

We have a collection of museum quality ancient Greek vase replicas for purchase by college fraternities and sororities seeking special and distinguished symbolic "Greek" recognition regarding membership and also achievement, service, victories or leadership.

Vases are made by skilled Greek craftsmen using traditional methods of workmanship of ancient Greeks from over 2,000 years ago.

Each piece is a collectible work of art and a replica of an actual historic object displayed in a museum or famous private collection.

A vase is available with optional crest or custom inscriptions on front and back of vase. Let us sknow what you want.
