## **Classic Greek Limited Edition Fine Art Vase and Sculpture Prints**

**J**ean Gabrael Galerie and Sigma Hellenic Vases (subsidiaries of Sigma Vases, Inc.) offer classic Greek Limited Edition Vases and Vase Prints to sophisticated individuals and organizations for collecting and decorating for home and office.

Classic Greek engravings were produced in the 1700 and 1800's from both museums and private collections of original ancient Greek vases and sculptures.

Vases are a traditional and classic Greek vase style called Amphora. The Amphora and Lekythos vases were used to store and pour wine in ancient Greece. The ceramic vases are handmade and painted in Greece using the similar clay and techniques of the ancient Greeks.

Interior designers and decorators, organizations and individuals purchase our fine art prints for both collecting and decorating homes and offices.

Our Sigma Hellenic Limited Edition Fine Art Prints are produced using the Giclee printing method. Mats and frames are optional.

For collectible value the prints are limited to 1,000 copies each. In many instances our vases and prints are copyright protected and registered with the United State Patent and Trademark Office (USPTO).

He was an authority on ancient art, had introduced Sir William Hamilton, British ambassador at Naples to the Porcinari family. The family were owners of a large collection of ancient classical vases. Hamilton bought the collection and later added additional ancient vases to the original collection.
