**J**ean Gabrael Galerie offers exclusive Vaslav Nijinsky and Tamar Karsavina Limited Edition Vases and Vase Prints to sophisticated individuals and organizations for collecting and decorating for home and office. Each item is handmade and not mass produced.

Vaslav Nijinsky of the Ballet Russes was a ballet dancer and choreographer of Polish descent. He is regarded as the greatest male dancer of the early 20th century. Tamar Platonovna Karsavina was a Russian ballerina, renowned for her beauty and was a principal artist of the Imperial Russian Ballet and later the Ballet Russes. . .

George Barbier produced original illustrations of Vaslav Nijinsky and Tamar Karsavina in 1912 and 1914.

Vases are a traditional and classic Greek vase style called Amphora. The Amphora vase was used to store and pour wine in ancient Greece. The ceramic vases are handmade and painted in Greece using the similar clay and techniques of the ancient Greeks.

Fine Art Prints are produced using the Giclee printing method and both a text print and a print with a background are both available together. Mats and frames are optional.

For collectible value the ceramic vases and vase prints are limited to 1,000 copies each. Vases are copyright protected and registered with the United State Patent and Trademark Office (USPTO).
