specializing in creating collectible vases and prints

## **Bon Ton Limited Edition Vases and Vase Prints**

**J**ean Gabrael Galerie offers exclusive Bon Ton Limited Edition Vases and Vase Prints to sophisticated individuals and organizations for collecting and decorating for home and office. Each item is handmade and not mass produced.

Bon Ton illustrations were completed by George Barbier, George Lepape, Andre Martin and others from 1912 to 1924. The artists were recognized as a leading art deco illustrators in France.

Vases are a traditional and classic Greek vase style called Lekythos. The Lekythos vase was used to store and pour wine in ancient Greece. Our ceramic vases are handmade and painted in Greece using the similar clay and techniques of the ancient Greeks.

Fine Art Prints are produced using the Giclee printing method and both a text print and a print with a background are available together. Mats and frames are optional.

For collectible value the ceramic vases and vase prints are limited to 1,000 copies each. Vases are copyright protected and registered with the United State Patent and Trademark Office (USPTO).
