## *A New Year, A New You!*

New Year  
New You

In this the season of a New Year, New You, I want to encourage and provide hope to somebody by telling you that it is possible to “Live Beyond Your **Track-Record**”!

A “**Track-Record**” refers to the past achievements or performances of a person, organization, or product. A **Track-Record** includes positive and negative performances. A **Track-Record** includes successes and failures. Often times it is your **track-record** that informs others of the likeliness of your future performance. There are several terms used to describe **track-records**. Terms like: bad, poor, clean, and good just to name a few. Beloved, I have discovered that God offers the opportunity for each of us to have a **track-record** that can be described as “Gone”!

The Bible is replete with people whose **track-record** was less than impeccable, but God eradicated their **track-record** so that their tomorrow could come pass! Today I invite you to become the next inductee of those who decided to live beyond their **track-record**!

Remember: It is not God’s practice to seek information or advice from your yesterday to ascertain, establish, exact, or calculate your tomorrow. This means you can indeed “Live Beyond Your **Track-Record**”!

My Prayer is that you decide to as you become your New You!

*Pastor Leroy Hines Anthony*

*Prayer: Lord, don't let the habits, and the traditions from my past, keep me from the destiny of this metamorphosis!*

## Black History Facts

In 1926, historian Carter C. Woodson became the father of Black History Month. Carter spearheaded what was then known as "Negro History Week".

Today, the official name is Black History Month, and the celebration of black history has been recognized by the U.S. Government for nearly 40 years.

Each year the President issues a proclamation declaring February, National African American History Month and urges the public to observe it.

**Mt. Carmel VIP!  
(Volunteer In Purpose)  
Church Van Driver**

Richard T. Lasley

VIP for the Month of January 2022

Trustee Richard T. Lasley has been a blessing to Mt. Carmel for over 30 years. In recognition of Trustee Lasley's dedication as a volunteer church van driver, he has been selected as the VIP (Volunteer In Propose) of the month.

If you use Door #1 to enter or exit the church on Sunday morning, you will see the church van parked under the canopy.

The church van is used primarily to transport Senior Citizens and families to and from Sunday School and Morning Worship. The first passenger can be picked up as early as 8 a.m. and the last passenger dropped off as late as 4 p.m.

The church van driver, Trustee Richard T. Lasley, has been driving the van since 1986. When asked, what his greatest motivation for driving the van for over 30 years, his reply was, "Being born during "Leap Year" under the sign of Pisces, I knew early in life that I had a strong love and affection for nature, art, music, singing, dancing, fashion and all kinds of people. My parents taught me to love and respect all kinds of people, and the type of neighborhood that they came from. In closing, it is easy for me to say that the values and morals that I was taught remains with me to this day and has been my inspiration while driving the church van.

Thank you, God, for a wonderful family and the light and love of God."

*"Thank you, Brother Lasley, for your leadership and support. Your selfless commitment to continue with Mt Carmel as a volunteer is truly incredible. You are appreciated."*
