It's the Routine that Reaps the Harvest!

It has been said that the secret of your future is hidden in your daily routine. Assuming this is true, would suggest that the secret to your success in life is contained in something you are doing every day. If you are unhappy, or unsatisfied with your life, it will not change until you change something that you engage in every day. In some way we are all creative creatures. This creativity is a divine trait, a gift from God. The means by which we employ this creativity is through the divine strategy of ritual or routine. What are your rituals and routines? What creativity are they exposing? Where will that exposure lead you? For Daniel, and David their ritual and routine was Prayer. David in Psalm 119 reflects nightly prayers, and even rising for midnight prayer. Daniel, we are told routinely prayed three times a day. Other Psalmist prayed, and worshipped God seven times a day (and we struggle with once or twice a week).

Beloved of God, the difference in people, is not what they do, but in what they habitually do! There is a reward to be gained from your routine. The reward can be a blessing, or a tragedy. It all depends on the nature of your routine. If you are seeking better health, check your health routines. If you are seeking better wealth, check your wealth routine. If you are seeking better period, build a routine of planning for better, planting for better (exercise actions in the direction of your plan), and praying for better. As we enter the Fall season, it is often referred to as Harvest Season, remember that your better requires your participation. Your routine matters to your success! "Therefore, my beloved brothers and sisters, be steadfast, immovable, always excelling in the work of the Lord {always doing your best and doing more than is needed}, being continually aware that your labor {even to the point of exhaustion} in the Lord is not futile nor wasted {it is never without purpose}."

Let Your Routine Reap Your Righteous Harvest!
