## ITEM FOR ALL TRACTORS

| S.No. | Description                                      | Page No. |
|-------|--------------------------------------------------|----------|
| 1.    | Rubber Parts for all Tractors                    | 76       |
| 2.    | BI-Metal Bushes & Thrust Washer for all Tractors | 79       |
| 3.    | Fly Wheel Rings for all Tractors                 | 83       |
| 4.    | Pinion for all Tractors                          | 84       |
| 5.    | Clutch Plates for all Tractors                   | 85       |
| 6.    | Front Spindle for all Tractors                   | 87       |
| 7.    | Spider Kit for all Tractors                      | 88       |
| 8.    | Tie Rod End for all Tractors                     | 90       |
| 9.    | Oil Filter & Diesel Filter for all Tractors      | 92       |
| 10.   | St. Shaft for all Tractors                       | 94       |
| 11.   | Thrust Bearings for all Tractors                 | 96       |
| 12.   | W.P. Assy. for all Tractors                      | 97       |
| 13.   | All Types of Bolt for all Tractors               | 98       |
| 14.   | All Type of Bearings Tractors                    | 99       |
| 15.   | All Type of Main Pipe/ Fuel Lines                | 100      |
| 16.   | Tipping House                                    | 103      |
| 17.   | Spares for Mahindra Tractors                     | 104      |
| 18.   | Spares for Ford Tractors                         | 110      |
| 19.   | Rotavator Spares                                 | 111      |
| 20.   | Power Steering Kit for all Tractors              | 112      |
| 21.   | Power St. Coloum & Cly. of all Tractors          | 113      |
| 22.   | Washer                                           | 114      |
| 23.   | Brake Cable Assy. Ignition Key & Bulb Holder     | 114      |
| 24.   | Grease Gun Section                               | 115      |

## **Commitment To Quality**

*It is the policy of Gleeson to aim to provide defect free products the first time and every time and to provide services to meet our customers' need.*

*Gleeson quality philosophy calls upon all employees to strive for continuous improvement process and sets a zero defect goal as the acceptable level of performance.*

### **Terms of Business :**

- All the numbers and codes in this catalogue are reference of Gleeson products and they do not represent any original part number.
- The company is at liberty to change prices without any prior notice.
- All taxes and levies are extra as applicable.
- Interest @ 24% P.A. will be charged if payment is not made on due date.
- The company reserves the right to execute any order in full or part according to our stock position. We also reserve the right to cancel any item of the order in full or part.
- Material once despatched under confirmed order may not be accepted back or replaced. Documents if refused will be entirely at purchaser's risk.
- Goods are despatched in good faith, carefully checked before despatching. The company is not responsible for any breakage, pilferage, damages and theft regarding goods in transit.
- The company does not insure any consignment. But if desired, insurance will be arranged at buyer's risk and cost.
- Our products are guaranteed against manufacturing defects. Returns are acceptable only for manufacturing defects and defective materials must be returned within 3 months from the date of supply.
- Since the liability of the company is limited upto replacement of such defective parts, it will not be liable to pay for any losses arising due to their non-functioning.
- Claims accepted maximum within three months from the date of supply of materials, in delayed cases, Excise, Taxes and Levies on Warranty Claims will not, however, be refunded. The Warranty stands void for tampered, misused or incorrectly fitted parts.
- Only Delhi Courts will have the jurisdiction in all cases irrespective of the territories concerned.

 In keeping with our policy of continuous Product up gradation, specification in design and material may change without prior notice.

 No part of this catalogue, whole or in part, may be reproduced or utilized in any form or by any means without written consent from Gleeson Overseas.

 The original part no. & the photographs of the tractors model in this catalogue are used for reference purpose only.

## COMPANY PROFILE

### ABOUT US

**SHREE RAM TRADERS** was established in 1998 in loving memory of my father Shri Ram Chand Madan, with a dream to provide high tech superior tractor parts. With an experience of over 25 years, we have pretty much attained a level to provide high quality tractor components. Our motto is to provide **satisfaction to our customers** which we have pretty much upheld. Here we not only deal but in fact build a relation with our customers. We make sure of the quality of our materials, production techniques and best performance through out the process of manufacturing, starting from selection of raw materials to machinery to dispatching of finished goods.

We are known all across the country for supplying superior quality tractor components and determine to do so in near future.

### PRODUCT RANGE

**S Parts** has a wide range of tractor parts for most models Swraj tractors. Swaraj tractor parts provided by **SHREE RAM TRADERS** consists of all major parts including Transmission Gears and Shafts, Front Spindles (stub axles), Steering Shafts, Steering Gears, Front Wheel Hubs, Engine Gears, Connecting Rods, CrankShafts, Cylinder Heads, Differential Gears, Rear Axle Shafts, Hydraulic Lift Parts, Hydraulic Pump and Parts.

### TIMELY DELIVERY

We are empowered with a sound storage facility and a wide distribution network of clients that enable us to feed demand in the shortest possible time frame. The company is always welcome to queries and suggestions regarding the products from its clients.
