GLEESON®

Commitment To Quality

It is the policy of Gleeson to aim to provide defect free products the first time and every time and to provide services to meet our customers' need.

Gleeson quality philosophy calls upon all employees to strive for continuous improvement process and sets a zero defect goal as the acceptable level of performance.

Terms of Business :

- All the numbers and codes in this catalogue are reference of Gleeson products and they do not represent any original part number.
- The company is at liberty to change prices without any prior notice.
- All taxes and levies are extra as applicable.
- Interest @ 24% P.A. will be charged if payment is not made on due date.
- The company reserves the right to execute any order in full or part according to our stock position. We also reserve the right to cancel any item of the order in full or part.
- Material once despatched under confirmed order may not be accepted back or replaced. Documents if refused will be entirely at purchaser's risk.
- Goods are despatched in good faith, carefully checked before despatching. The company is not responsible for any breakage, pilferage, damages and theft regarding goods in transit.
- The company does not insure any consignment. But if desired, insurance will be arranged at buyer's risk and cost.
- Our products are guaranteed against manufacturing defects. Returns are acceptable only for manufacturing defects and defective materials must be returned within 3 months from the date of supply.
- Since the liability of the company is limited upto replacement of such defective parts, it will not be liable to pay for any losses arising due to their non-functioning.
- Claims accepted maximum within three months from the date of supply of materials, in delayed cases, Excise, Taxes and Levies on Warranty Claims will not, however, be refunded. The Warranty stands void for tampered, misused or incorrectly fitted parts.
- Only Delhi Courts will have the jurisdiction in all cases irrespective of the territories concerned.

 In keeping with our policy of continuous Product up gradation, specification in design and material may change without prior notice.

 No part of this catalogue, whole or in part, may be reproduced or utilized in any form or by any means without written consent from Gleeson Overseas.

 The original part no. & the photographs of the tractors model in this catalogue are used for reference purpose only.
