

# Residency Conference of the Rockies 2026 Crystal I

## 8:55 AM – 10:30 AM

**#24 Biopsy-proven acute rejection-free allograft survival after kidney transplantation:  
A retrospective comparison of steroid strategies**

Denise Avila  
HCA HealthONE Presbyterian St. Luke and Rocky Mountain Hospital for Children

**#5 Safety and efficacy of concomitant use of high-intensity statin and tacrolimus among solid organ transplant recipients**

Linsey Fold  
UCHealth University of Colorado Hospital

**#35 : Influence of antihypertensive agent use prior to kidney donor nephrectomy on post-donation renal function**

Emily Losinski  
UCHealth University of Colorado Hospital

**#47 Early versus late sodium-glucose cotransporter-2 inhibitor initiation in solid organ transplant recipients**

Leah Rios  
UCHealth University of Colorado Hospital

## 10:40 AM- 11:25 AM

**#9 Antipsychotic prescribing patterns and outcomes in older hospitalized adults**

Kristen Kennedy  
Intermountain Health Saint Joseph Hospital

**#40 From critical to calm: a pharmacist-led initiative to deprescribe ICU-initiated quetiapine**

Joyjeet Khosa  
UCHealth Parkview Medical Center

## 12:55 PM – 2:30 PM

**#7 Evaluation of dose titration and transfusion burden in patients on luspatercept**

Kevin Standen  
UCHealth Memorial Hospital Central

**#1 Single center retrospective evaluation of exogenous albumin administration for the prevention of ifosfamide-induced encephalopathy**

Julia Tegethoff  
UCHealth University of Colorado Hospital

**#8 Evaluation of the use of extended VTE prophylaxis in colorectal, gynecologic, intra-abdominal, and bariatric surgery patients**

Jordan Conine  
Intermountain Health St. Joseph Hospital

**#32 Engraftment syndrome after immune checkpoint inhibitor salvage and autoHSCT in relapsed/refractory Hodgkin's lymphoma**

Gavyn Walsh  
UCHealth University of Colorado Anschutz Medical Campus

# Residency Conference of the Rockies 2026

## Crystal II

### 8:55 AM – 10:30 AM

#### **#15 Enhancing vaccinations through pharmacist-led counseling and test and treat**

Victor Galvan  
King Soopers

#### **#46 Training, well-being, and growth from graduation to practice**

Maria Sarwar  
Skaggs School of Pharmacy

#### **#25 Colorado health professional students' awareness and perceptions of community pharmacist-provided clinical services**

Amanda Mascarenas  
Safeway/Albertsons Companies/Regis University School of Pharmacy

#### **#14 Pharmacists and perimenopause: Bridging knowledge gaps in OTC care for women's midlife health**

Ashley Campanella  
Albertsons/Regis University

### 10:40 AM- 11:50 AM

#### **#13 Evaluating the clinical impact of a pharmacist-led medication refill program on diabetes care**

Allison Nguyen  
Denver Health Medical Center

#### **#2 Validation of electronic algorithms to identify patients who were candidates for potential glucagon-like peptide-1 agonist deprescribing**

Natalie Hart  
Kaiser Permanente

#### **#48 Pharmacist-led transition to automated insulin delivery: Assessing the patient experience behind the technology and impact on diabetes distress**

Kelly Jenkins  
Denver Indian Health and Family Services; University of Colorado, Skaggs School of Pharmacy

### 12:55 PM – 2:30 PM

#### **#42 Improving utilization of grant-funded naloxone in the women's care unit and emergency department**

Sierra Conner  
UCHealth Poudre Valley Hospital

#### **#43 Comparison of home administration versus clinic administration of pegfilgrastim, filgrastim, and biosimilars**

Abigail Covington  
Intermountain Health Lutheran Hospital

#### **#37 Improving discharge medication delivery through a Meds-to-Beds program, a retrospective review**

Andrea Robles  
HCA HealthONE Aurora

#### **#49 Implementation of extended infusion ampicillin/sulbactam at a single site**

Travis Wood  
Intermountain Health Lutheran Hospital

### 3:00 PM – 4:10 PM

#### **#3 Assessment of the value of a multidisciplinary initiative to decrease red flag medication combinations**

Ashlyn Foskey  
Kaiser Permanente

#### **#36 Sodium polystyrene sulfonate (SPS) versus sodium zirconium cyclosilicate (SZC) for the treatment of acute hyperkalemia**

Levi Sinn  
UCHealth Memorial Hospital Central

#### **#50: Improvement of testosterone lab draw timing**

Shane Spurlock  
Cheyenne Veteran Affairs Health Care System

# Residency Conference of the Rockies 2026

## Crystal III

### 8:55 AM – 10:30 AM

**#39 Clinical outcomes of de-escalation to oral beta-lactams in gram-negative bacteremia or pyelonephritis**  
Anthony Radzimirski  
CommonSpirit St. Anthony Hospital

**#44 MRSA nasal screening-guided antibiotic de-escalation in skin and soft tissue infections**  
Matthew Jones  
HCA HealthONE Presbyterian St. Luke and Rocky Mountain Hospital for Children

**#45 Vancomycin vs. linezolid as first line option for elevated vancomycin MIC MRSA ventilator-associated pneumonia**  
Taylor Close  
CommonSpirit St. Anthony Hospital

**34 Assessing treatment initiation following positive FLUID results**  
Suki Zhan  
Denver Health Medical Center

### 10:40 AM- 11:50 AM

**#10 Observing outcomes of dosing and monitoring of valproic acid and phenytoin**  
Joe Blinn  
CommonSpirit Penrose-St. Francis Hospital

**11 Current SSRI/SNRI therapy and early hematoma expansion in spontaneous intracerebral hemorrhage**  
Jake Dodson  
CommonSpirit St. Anthony Hospital

**#17 Use of long-acting injectable (LAI) mental health medications and boosting prescriber confidence through targeted education**  
Emily Hansen (Powell)  
Cheyenne Veteran Affairs Health Care System

### 12:55 PM – 2:30 PM

**#22 Bye-Cillin: Comparing treatment success rates for standard-of-care versus alternative therapies for syphilis during Bicillin-LA® shortages**  
Cameron King  
UCHealth University of Colorado Hospital

**26 Impact of MRSA polymerase chain reaction (PCR) nasal swab protocol on empiric vancomycin use**  
Jewel Jackson  
Intermountain Health Good Samaritan Hospital

**#30 Sniffing out MRSA: a pharmacist-driven nasal PCR approach to antibiotic de-escalation**  
Breah Morlan  
UCHealth Memorial Central Hospital

**#31 Antibiotic duration in intra-abdominal infections: a retrospective evaluation of STOP-IT guidelines adherence and outcomes**  
Joseph Pittman  
UCHealth Memorial Hospital

### 3:00 PM – 4:10 PM

**#21 Implementation of a pharmacist-driven parenteral nutrition protocol in the neonatal intensive care unit**  
Connie Lau  
Denver Health Medical Center

**#41 Optimizing intravenous iron use in postpartum anemia**  
Issak Hansen  
UCHealth Poudre Valley Hospital

**#16 National survey of pharmacist practice in obstetrics**  
Elina Schmauch  
Denver Health Medical Center

# Residency Conference of the Rockies 2026

## Crystal IV

### 8:55 AM – 10:30 AM

**#4 A retrospective review on the use of antipsychotics as adjuncts in the treatment of alcohol withdrawal:  
Impact on emergency department disposition**

Via Anderson  
UCHealth

**#12 Midodrine dosing strategies for vasopressor weaning in patients on spinal perfusion protocol**

Petra Erhardt  
CommonSpirit St. Anthony Hospital

**#19 Evaluation of a pharmacist-driven emergency department culture call back program: a retrospective review**

Kara Fleck  
HCA HealthONE Aurora

**#51: The effect of serum calcium level on the success of diltiazem or metoprolol treatment  
in atrial fibrillation with rapid ventricular rate**

Harris Milanovic  
UCHealth University of Colorado

### 10:40 AM- 11:50 AM

**#23 Evaluation of perioperative methylnaltrexone as postoperative ileus prophylaxis in cardiothoracic surgery**

Leandre Kalhagen  
UCHealth Memorial Hospital Central

**#29 Evaluating the impact of medication for opioid use disorder reinitiation on outcomes in mechanically ventilated critically  
ill adults**

Angelica Elena Garcia  
Denver Health Medical Center

**#6 Efficacy of adjusted body weight (AdjBW) dosing for continuous infusion propofol (CIP) in obese patients**

Hailey Murphy  
CommonSpirit Penrose Hospital

### 12:55 PM – 2:30 PM

**#18 Anticoagulant failure and bleeding with warfarin, DOACs, and enoxaparin**

Tyler Petrini  
Intermountain Health Good Samaritan Hospital

**#28 Balancing the bleed: Comparative safety of oral anticoagulants for atrial fibrillation in CKD stage 4 and ESRD**

Jillian Rosenzweig  
Denver Health Medical Center

**#27 Evaluation of concomitant aspirin with DOAC therapy at a level 1 trauma center**

Steven Schoeber  
HCA HealthONE Swedish

**#20 Mind the double coverage: Pharmacist-led surveillance to reduce inappropriate dual antithrombotic therapy in stable  
ASCVD (MIND-DAT study)**

Kate Jolene Bates  
Intermountain Health St. Joseph Hospital

### 3:00 PM – 3:45 PM

**#38 Effect of dual gabapentin and pregabalin therapy on pain in trauma patients: A retrospective study**

Tariq Puskamp  
CommonSpirit St. Anthony Hospital

**#33 Risk for gastrointestinal bleeding in patients with traumatic brain injury and spinal cord injury:  
Evaluation of stress ulcer prophylaxis**

Steven Sloan  
Denver Health Medical Center
