

Outbound Exchange to Big Canoe, Georgia March 28 to April 4, 2014

Our first outbound exchange of 2014 was to Big Canoe, Georgia. Southern hospitality abounded! While a pontoon boat ride on our first outing was subjected to rather cool weather, we had absolutely gorgeous warm Georgia spring weather for the remainder of our visit. Highlights of the exchange were visits to historical mansions, the state governor's mansion (note the enclosed group photo), insights into plantation life and visits to museums and a battlefield that brought the history of the civil war in Georgia very much to life for us. In the following photo we are with our Big Canoe hosts on the front steps of the Georgia Governor's mansion which was included in our exchange.
