

## 2018 Global Adventure Inbound Journey

In September 2018, in coordination with journeys to two other Ontario FF clubs, we welcomed guests from around the world to 5 days of outdoor adventure in Haliburton:

## 2018 Global Adventure Inbound Journey

One of our American guests, Richard Mueller, pulled together a rather poetic summary of the experience that was sung to us by all of our ambassadors at the fairwell dinner (sung to “She’ll be coming around the mountain when she comes”):

We bussed into the Haliburton Town  
We drove into the Haliburton Town  
    We saw the fishies swimming  
    We saw the fishes growing  
Some day they’ll thrive in lakes around the town

We learned about the glyphs at Teaching Rocks  
The ranger was an expert at the Rocks  
    We learned about the legends  
    We learned about the artists  
Who made the Petroglyphs at Teaching Rocks

We went to Wanakita for a day  
Quadzilla gave us all a chance to play  
    Some climbed like a monkey  
    Paddlin’ was pretty funky  
Voyegeurs are we for just a day

We hiked up and down to viewpoints five  
In-vig-or-at-ing; very much alive  
    A bar-b-que and visit  
    To the land of Canis Lupus  
Howling at the moon to hear the pack
