General Data Protection Regulation

From 25th May 2018, the UK's existing data protection laws were replaced by the EU's GDPR. The new law aims to give EU citizens more control over how their personal data is used, especially online. All organisations which collect, store, share or use individuals' personal data, will need to comply with new regulations or face penalties, including hefty fines.

We have contacted our Members and customers to ensure we are compliant at the CWA, and suggest our members do the same. More information is available at the Information Commissioners Office [here](#). There is also a helpline for small organisations – call 0303 123 1113 and select option 4 to be diverted to staff who can offer support.

Offers of help or materials are very welcome and can be sent to info@wooplaw.org.uk

Funding (click to return to contents)

“Pockets and Prospects”: Funding of particular relevance to smaller community woodland groups who work in and around urban areas.

CWA has up to £18k from the Scottish Government to mitigate welfare reform to distribute for projects that will contribute to enhanced well-being for deprived communities by providing opportunities for outdoor volunteering, benefiting physical and mental health.

The work must be targeted at areas of greatest need, usually quantified using the SIMD (there is a very useful interactive mapping tool [here](#)). Your woodland does not need to be in a highly deprived SIMD area, but you will need to demonstrate that your activities will benefit people who live in these areas. Grants are likely to average around £2k a group, with a range of £1k - £4k. Match funding is not required.

Possible activities which could be funded are:

- Costs of setting up and running volunteering groups (tools, PPE).
- Training for group members to work with volunteers.
- Outreach and promotion of opportunities available in your woods.

This is not an exclusive list and if you have other ideas, please contact jon@communitywoods.org

Other criteria:

- Your project needs to be additional: doing something new or extending your activities to work with a new group of clients / volunteers.
- Your group must be a paid-up member of CWA.
- You should aim to spend the money in 2018.

If you have any questions or wish to discuss a specific project, please contact

jon@communitywoods.org
