

Coupar Angus -

canny aboot carbon!

Nae postage costs or sair online ordering hassles

Ye ken, Its awfy nice to help raise money for a good cause

Reuse makes for a bonnie planet

Making new guid claes uses a gey load o chemicals an' watter

Ye nae bampot, ye ken that buyin' local means less juice used by planes an lorrries

# BE SMAIRT, USE YER LOCAL CHARITY SHAPPIE

Nae packaging' or plastic bags

Less waste going to the dump and less work for the scaffies

Find some new lang breeks or pawkies for ye cold hauns

Get something useful for next to nowt

Take a quick keek fae see whifs cheap

Lots o energy an' carbon are used in makin' new foys

New cheap claes could be made by a schuil bairn in China, so buy second hand instead.

## GED DEAR! DINNAE BE GLAIKIT, GIE IT A SEICONT LIFE
