

Refresh Your Space

Give your home a fresh look while helping students gain valuable hands-on experience through our Building and Construction Initiative.

How It Works

This low-cost community service provides homeowners with affordable labor while creating a real-world learning environment for our students. Participants develop practical construction skills as they work on approved projects under the supervision of experienced instructors.

Services We Offer

- ✓ **Interior Painting** (Walls, Trim & Ceilings)
- ✓ **Drywall Repair** (Small Patches & Crack Repair)
- ✓ **Minor Cosmetic Improvements**

To Be Eligible for BCI Work Services
