By signing this document, you acknowledge that bodywork does not substitute veterinary care. You understand that our practitioners do not diagnose or treat illnesses.

Prior to initiating any bodywork, exercise, or stretching regimen, it is your responsibility to seek guidance from a veterinarian concerning complementary care for your horse.

You release Mane to Tail Equine Wellness from any liability, claims, or actions stemming from loss, injury, or damage, including those caused by negligence, sustained during our services.

This agreement affects your legal rights. Please read it carefully.

I, being the authorized agent or owner of this horse, have read and understand the information provided by this form and:

I understand that bodywork is NOT a substitute for veterinary care, and further acknowledge that the bodyworker does not diagnose illness, disease, or any other physical disorder.

The equine bodyworker does not prescribe or administer medical treatment.

It is my responsibility to consult with a veterinarian regarding complementary care for my horse prior to starting any bodywork, exercise or stretching protocol.
