President's Message

What's Our Why?

As we prepare for another busy season at the Punta Gorda Woman's Club, I'd like to focus on one of the most important parts of our "why"—**service**.

On September 26, PGWC will participate in the **International Day of Service**, joining others around the world in making a difference in our communities. Our project supports victims of rape and violence with our **Bags of Hope** collection.

These bags provide much-needed clothing and personal items to individuals during an incredibly difficult and vulnerable time. To us, it may be a pair of yoga pants, a T-shirt, undergarments, or toiletries. To the person receiving that bag, it means comfort, dignity, and the knowledge that someone cares.

That is our why.

But service doesn't happen only on one special day each year. It happens every time one of our members raises her hand and says, **"I can help."**

I'd like to challenge each of us to think about giving PGWC just one hour a month. One hour may not sound like much, but imagine the dividends when our members each contribute that hour. It becomes hundreds of hours devoted to our community over a year. An hour might mean helping at an event, serving on a committee, organizing donations, making phone calls, welcoming a new member, selling tickets, or lending a skill that you already have. Small contributions, multiplied by many members, create extraordinary results.

So, as we approach September 26 and our International Day of Service, I hope you'll consider donating a **Bag of Hope**, but also what you can give of yourself.

One hour. Once a month. Imagine what we can accomplish together. That's the power of PGWC—**and that's our why.**

With gratitude,
Jody Henkel
GFWC PGWC President

On September 26th, in recognition of the International Day for the Elimination of Violence Against Women, GFWC PGWC will be presenting CARE bags to CARE representatives.
