

Simplify Your Health Benefits with Covered365!

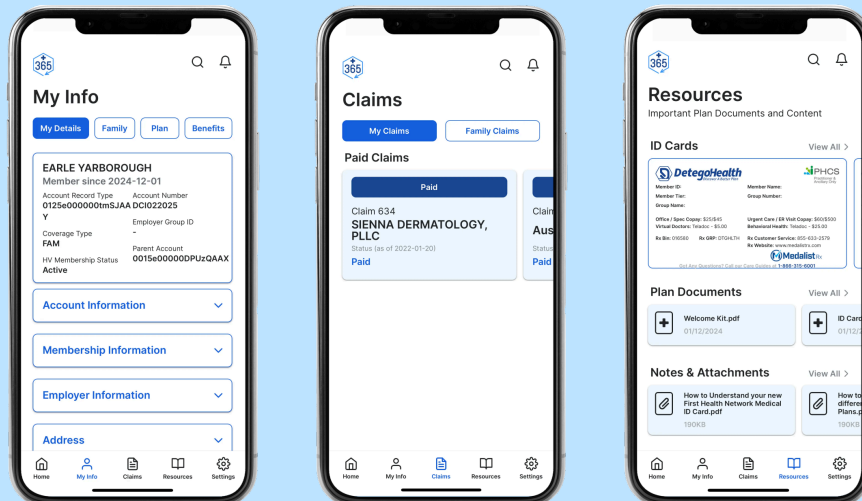

The Covered365 app provides you with convenient, 24/7 access to your organization's Health Benefits Plan, all year round. It is exclusively available to eligible Detego Health LLC® users.

What's inside Covered365?

- **ID Card:** Access your digital Benefits ID card anytime, hassle-free.
- **Claims:** Easily view and track all your claims in one simple dashboard.
- **EOBs (Explanation of Benefits):** Stay informed and understand your benefits with ease.
- **Consumer Data Respondent Surveys:** Stay active as a Population Science Management Working Owner by completing assigned surveys.

Stay connected to your health benefits anytime, anywhere with the Covered365 app.
