

## PHARMACEUTICAL ADVOCACY SERVICES

**ScriptAide is here to help you get the medications you need.** Our Pharmaceutical Advocacy Services are designed to ease the financial burden of prescriptions that may not be covered by your health plan. Our dedicated Pharmaceutical Access Coordinators work directly with you to explore options and secure access to your prescribed medications.

### ***Personal Importation Program (PIP)***

Through PIP, we compare pricing and import prescriptions from our Canadian pharmacies for **covered medications**, offering savings of up to 70%. For qualifying prescriptions, the co-pay is waived, making the medication free for the member. A valid prescription is required to participate.

### ***Patient Assistance Program (PAP)***

PAP is designed for members in the United States who require **non-covered medications** and **demonstrate qualifying financial need**. Those who qualify will receive their medications for free, with no co-pays or shipping costs. A valid prescription is required to participate.

### ***Self-Pay Importation Program (SPIP)***

SPIP is available to members in the United States who require **non-covered medications**. Through this program, individuals can import their prescribed medications at **their own cost**, typically saving 40-45% compared to U.S. pharmacy prices. A valid prescription is required to participate.
