For more than a quarter century now, the impressive size, wide popularity, & educational accomplishment have always been and will always be strong throughout this event, especially with our supportive community. This proud event is widely popular, and the tickets are in demand. We recommend purchasing tickets early, as this concert has often been sold out. In addition to avoiding long lines before the concert, we encourage our audience to purchase in advance on-line. In the interest of safety, we properly comply with the fire code's seating capacity; therefore, we can only sell a limited number of tickets to this festival. Following the links below, the electronic tickets will all be sold on-line at a price of \$6. The tickets are now available. Visit <https://gofan.co/event/4949119?schoolId=CA22618> or use the QR code here:

The funds from the tickets purchased will go directly into the District's Visual and Performing Arts fund. Thank you for your support in your student's experience by supporting the visual and performing arts in public education.

We look forward to your involvement, and we congratulate your student(s) on participating in this wonderful event.

Sincerely,

Dr. Rob Pecot
Superintendent
