

Dog Foster/Adoption Application

1. We reserve the right to approve or deny any application and the right not to disclose the reason.
2. You must be at least 18 years old to apply for foster or adoption.
3. We reserve the right to visit the home where the dog will be residing prior to foster or adoption.
4. All family members living in the prospective home must meet the dog prior to foster or adoption.
5. We do not allow any dogs to be chained, tied up, or locked in a garage or crated for 5+ hours.
6. Our dogs are "family" dogs. We do not allow our dogs to be "outside only."
7. Adoption donations allow us to pursue our goals of vetting and rehoming dogs in need.
8. Adoption fees are determined on an individual basis. Expenses for vet care including spay and neuters are factored into the amount. Our primary goal is to find responsible and loving forever homes. Often times the adoption fee does not cover the vet expenses of spay/neuter and chipping as we endeavor to keep adoption fee's as low as possible. For young puppies who are adopted you may contact us when they are of age to schedule and pay for their spay or neuter.
