

# February 2026

## KEY Conversations

Created by Carolyn Lewis, M.Ed

## **Adult Supplies:**

**A Journal** Use a journal to write the children's initial answers before you give the correct answer.

**The purpose of the journal** is to measure the increase in knowledge from before the KEY conversations with the correct answers at the end of the month and thereafter.

# KEY Method

## Give Information

1. Say the answer.
2. Then ask the question.
3. The learner repeats the answer to you.

Follow this format every time. Have fun!

1. Say the answer.

2. Then ask the question.

3. The learner repeats the answer to you.
