

PROBLEM SOLVING FAILS

THERE ARE AT LEAST TEN WAYS TO FAIL
AT PROBLEM SOLVING.

BARBARA A. LEWIS
GIVES TEN STRATEGIES THAT ARE
GUARANTEED TO LEAD TO FAILURE THAT
YOU NEED TO NOT EVER DO!

**Have a bad attitude about your
ability to solve the problem.**

Fight against the problem

Deny or ignor the problem

Don't finish what you start.

Give up.

Be afraid of making mistakes.

**Get a false or inaccurate
picture of the problem.**

**Rely on luck to solve the
probelm or make it go away.**

**Rely on other people to solve
problems for you.**

Be afraid of the competition.
