

Symphonic Band & Advanced Band

You will perform
rehearsal repertoire
with accurate rhythms,
pitch, and dynamics.

After this lesson, you will:

- 1) **DEFINE** the concepts of (a) steady tempo, (b) rhythmic accuracy, (c) appropriate playing position, (d) correct posture, (e) appropriate technique, and (f) accurate interpretation of standard music notation.
- 2) **IDENTIFY** proper techniques for performing with (a) steady tempo, (b) rhythmic accuracy, (c) appropriate playing position, (d) correct posture, (e) appropriate technique, and (f) accurate interpretation of standard music notation.
- 3) **EXPLAIN** relevant reasons why performing with (a) steady tempo, (b) rhythmic accuracy, (c) appropriate playing position, (d) correct posture, (e) appropriate technique, and (f) accurate interpretation of standard music notation helps secure a unified ensemble sound.
- 4) **PLAY** rehearsal repertoire, applying (a) steady tempo, (b) rhythmic accuracy, (c) appropriate playing position, (d) correct posture, (e) appropriate technique, and (f) accurate interpretation of standard music notation.
