WEEKDAY

Warmest autumn greetings to you all!

We appreciate you taking the time to catch up with all the good things happening here with Weekday Christian Education.

We have just begun our classes for 2023 serving over 740 students and they are going fantastically. We are so thankful to every teacher, assistant, driver, office personnel, board, and donors (like you!) that support this ministry. Without you, we could not reach the amount of students God has blessed us with every year.

Our focus of the year is the Armor of God. Ephesians 6 says: "Put on the whole armor of God, that ye may be able to withstand in the evil day and having done all, to stand, stand therefore." We are teaching the children that there is a God who loves them, who values them, and who has created them masterfully for a divine purpose (Ephesians 2:10).

Would you be willing to help us continue this important mission by donating to the cause? For just \$100 you can sponsor a child for the entire school year, providing them with curriculum, crafts, snacks, and prizes too. With just \$400, you can support our fuel for an entire month in hauling our mobile classrooms to each of our 23 locations. If sponsorship is not an option for you, please know that any amount you are able to give makes a difference. Every dollar so generously given is stewarded to the best of our ability and enables the spreading of the Gospel of Christ.

Just as it is important to receive funds (as we do not accept any government funding), we need your prayers. Please consider adding us to your daily prayer. Pray for wisdom, direction, and open hearts for the children as they receive the Gospel message. Pray that they turn to the Lord and decide to serve Him only.

In other exciting Weekday news, we added a night of worship to our annual events and it went beautifully. We want to send a huge thank you to all those that came out to support us. It was a wonderful night together, worshipping God and giving Him glory for all He's doing in our Evansville community. Several churches were represented, and we definitely had church! We hope to do this again next year and see even more of your beautiful, lovely faces!

So, as we celebrate fall with all the fun harvest festivals and decorations that come along with it, remember that Jesus died on a cross to save us and we have an opportunity to draw nearer to Him and share Him with others because of it. What an amazing opportunity!

Believe Big,

Heather Williams

What's Happening with Weekday Online and In Person?

This school year we are teaching our third and fourth grade students about the armor of God (Ephesians 6). Our online fifth grade students are learning about heroes of faith in the Bible (such as Moses, Mary, David, and Jesus).

Our students continue to learn to value themselves and others, as well as learn to find their identity in Christ, and oh, what a masterful identity it is (Ephesians 2:10)! They are learning of God's immeasurable love for them and how they have a purpose in the world.

As you can imagine with third and fourth grade students, our classes are high energy and we make learning the Bible fun! We utilize instruments, puppets, games, and prizes to incentivize learning scriptures and sharing the Gospel.

We have seen students who did not identify as Christians come to Christ. We have seen their eyes opened to the Scripture as they learn more about God and what a Christian is. We have seen students that have never spoken to God lead prayer in our classrooms. Thanks be to God for all the great things He is doing in Weekday!!

Online Giving

Weekday Christian Education continues to offer online giving. While we are happy to receive your gifts in any way that is convenient for you, we have heard from several of you that online giving is a helpful tool.

If you are interested in participating in online giving, here is how to get started with us:

Go to Weekday's website: www.weekdayevansville.com or use the QR code and click on "Donate Now" at the top left and fill in a few blanks to set up your gift.

You can determine how much, how often and by what means you wish to give via credit card or electronic transfer of funds:

One Time Only – you can do this whenever you choose, without a schedule.

Weekly, Bi-monthly or Monthly – you can schedule any one of these and designate the start and end dates.

We greatly appreciate everyone who contributes to Weekday Christian Education, whether it is monetary, or the gift of your time and talents. Weekday is blessed to have so many caring people. Do not hesitate to contact us if you have any questions or if we can help you in any way.
