- What is Weekday Christian Education? It is a released time program in which-with parental approval – public schools release students for part of the school day for religious instruction offered by a private/local sponsoring group.
- Our Local Mission Statement: Weekday Christian Education believes all children deserve to know of God's eternal love for them. We do this by sharing God's Word, and by teaching and applying Biblical life lessons with Vanderburgh County children.
- Established in 1942. We are blessed to have 75+ years of serving the children in our community by helping them begin or continue their faith walk.
- Weekday is a **FREE** program for 3<sup>rd</sup> and 4<sup>th</sup> graders in 22 elementary schools (all EVSC and Joshua Academy).
- We invite approximately 3,500 3<sup>rd</sup> and 4<sup>th</sup> graders each year to participate in our ministry.
  - We anticipate 800 – 1000 students participating each year on a weekly basis. Of those children, approximately 50% are un-churched or have no church affiliation.
- Weekday Christian Education is ecumenical and non-denominational.
- Our students not only receive religious education but they also receive teaching regarding basic moral and ethical principles such as, honesty, respect, integrity, good behavior, etc.
- Our teachers/assistants are well trained and are all members of local area churches. We currently have a staff of 22 dedicated individuals.
- Weekday utilizes 3 portable classroom trailers, which must be parked off school property, and 3 local churches to conduct our classes.
  - We teach 49 classes each week across 22 schools.
- Our trailers are moved 17 times each week to get to the designated schools.
- Weekday is funded by donations from churches, individuals, organizations, fundraisers and grants.
