Weekday Christian Education believes all children deserve to know of God's eternal love for them. We do this by sharing God's Word, and by teaching and applying Biblical life lessons with Vanderburgh County children.

August 2018

The Weekday Christian Education program is starting its 76th year in EVSC elementary schools and Joshua Academy. This is a released-time program that brings non-denominational Christian education to children during their school day. However, McCutchanville Elementary will have Weekday classes after school on Monday afternoons.

This program is **FREE** to students in the 3rd and 4th grades. We offer weekly classes all of the EVSC elementary schools and Joshua Academy. We teach the children about the Bible, God's unconditional love, Jesus and the value of prayer, just to name a few. They also learn to sing Christian songs, watch Christian videos, play games, etc. that reinforce our lessons. Research shows that release time Bible education programs can impact participants in a positive manner, including improved behavior and academic performance.

The Weekday program starts the week of September 10th and meets once a week through the middle of April. We meet on Monday's, every week at McCutchanville Elementary and our classes are approximately 45 minutes in length (3:15 pm – 4:00 pm). It's going to be an exciting year and we would like to invite your child to attend.

To authorize your child to attend Weekday Christian Education, please fill out the form below and return it to your child's homeroom teacher. **Children are not allowed to attend without a signed permission form.** Your child can be excused from the program upon written notice from the consenting adult. Likewise, the program has the right to remove a student for disciplinary issues.

If you have any questions, please call the Weekday Christian Education office at 812-425-3524.
