

The Hand as the Dealer

A dealer everyone can understand — expressive, fair, and alive.

The Hand becomes the centerpiece of the casino:

- Shuffles cards with cinematic flair
- Deals with precise, expressive gestures
- Points to winning hands
- Celebrates victories
- Teases during suspense
- Narrates the table for blind players
- Keeps every game fair and safe

This is the first dealer that works equally well for blind and sighted players.

Casino Games

****Play with gestures, voice, or spatial audio.**

Multiplayer included.**

Hand Poker

- Gesture to check, call, or fold
- Voice commands for accessibility
- Spatial audio for blind players
- Dramatic Hand-reveals for sighted players

Blackjack

- “Hit”, “Stand”, “Double” — by voice or gesture
- The Hand taps the table when you’re close to 21
- Blind Mode narrates your hand clearly

Roulette

- The Hand spins the wheel
- Spatial audio tracks the ball
- Blind Mode announces the result

Slots

- The Hand pulls the lever
- Expressive reactions to near-wins
- Sound patterns for each symbol in Blind Mode

Craps

- The Hand rolls the dice
- Gesture or voice to place bets
- Blind Mode narrates the table state

Bingo

- Already part of the casino
- Fully blind-accessible
- Perfect for multiplayer rooms

Hide and Seek Go — Casino Edition

- Faster rounds
- Higher stakes (tokens only)
- More expressive reactions

Multiplayer Casino Rooms

Play with friends, family, or the whole community.

Join:

- Public tables
- Private rooms
- Friends-only games
- Tournament rooms
- Community Spaces

The Hand runs the table and keeps the pace.

Blind-Accessible Casino Mode

The world's first casino designed for blind players.

Blind players get:

- Spatial audio for table layout
- Card narration
- Dealer voice
- Tactile audio cues
- "What's on the table?" summaries
- "You fix it" for stuck moments

Sighted players get cinematic animations.

Everyone plays together.

Hand Tokens (Safe, Virtual Currency)

****No real money.**

No gambling.

Just fun.**

Players use Hand Tokens to:

- Enter rooms
- Join tournaments
- Play casino games
- Unlock cosmetics
- Buy Hand skins, moods, and animations

Tokens cannot be cashed out — keeping everything safe and legal.

Cosmetics & Skins

Your Hand, your style.

Players can unlock or buy:

- Dealer outfits
- Table themes
- Gesture packs
- Celebration animations
- Seasonal cosmetics

This is one of the biggest revenue drivers.

Tournaments & Events

Daily, weekly, and seasonal events hosted by The Hand.

- Token-based tournaments
- Leaderboards
- Team challenges
- Blind-vs-Sighted events
- Seasonal jackpots (tokens only)

Skill wins — not eyesight.
