Painting with a Purpose: Mural Design Scholarship Opportunity

The Democratic Party of Saline County (DPSC) is excited to announce our first-ever scholarship opportunity, open to all high-school juniors and seniors in Saline County! This unique scholarship invites students to submit designs for a mural based on the theme “... And Justice for All.” We encourage all eligible Saline County students to reflect on our country’s stated values of equal opportunity and justice in their designs, and to showcase their creativity and vision for a brighter future by applying for this first-of-its-kind scholarship opportunity!

For more information and the form to submit a scholarship, check out **salinedems.com/scholarship**. If you’d like to contribute to the scholarship fund, visit **scholarship.salinedems.com** to make your donation. The final scholarship award will be determined by these contributions, so we encourage all who are able to consider a contribution so that we can award as much as possible to the winning designer(s).

From Apathy to Action:

The Voter Outreach Committee Needs Members

The Voter Outreach Committee is focused on recruiting *new* voters, particularly younger individuals and those currently disengaged from the political process.

Reaching out to young voters aligns with the committee's goal to create a future where justice is not just an ideal but a reality within reach. By engaging with these future leaders early, the committee is dedicated to fostering a generation committed to social change and equity. Moreover, engaging apathetic voters (those who lean Democratic but abstain from voting due to frustration or disillusionment) is another key strategy. It reflects the committee's commitment to ensuring that **every** eligible voter has the opportunity to participate, as true justice cannot be achieved when segments of the population are excluded from the process.

To make it happen, **this committee NEEDS YOUR HELP**. The VOC currently has NO members, with *no attendees* at the most recent committee meeting aside from Chair Bailey Morgan. If you want to see Democratic success in Saline County, we **need** members and volunteers. Let us know you're interested by emailing us at Saline@ArkDems.org OR text us at (501) 420-4729.
